I ran across this bulletin article from the Ninth Avenue church of Christ and wanted to share it with you: The family is under attack. Even the definition of the word “family” is being changed. The home has been the strength of our nation since its inception. What will happen to us when the home is destroyed? The Barna Group recently reported that “1 in 3 will be divorced at least once.” John J. DiIulio, Jr. wrote, “No generation reaching the age to marry is recovering from a broken hip. Paul Burns (grandmother of Scotty Pinson) is back at McKenzie Health Care. Sharon Boyd (daughter-in-law of Boise Boyd) is recovering from a stroke.
