

Purposes of Our Program:

- ◆ To enable young children to feel safe, secure, and comfortable in the care of adults other than their family members.
- ◆ To let each child experience: the love of God in Christ, the love of God's people, and the wonders of God's word.
- ◆ Through our educationally sound and loving Christian environment to provide a foundation for healthy social, intellectual, emotional, physical and spiritual development.
- ◆ To encourage the children to explore their environment, enjoy creating, share, develop their social skills, communicate with adults and peers, work with new materials and learn new skills.

Our Staff Is Committed to:

- ◆ Encouraging cooperation, sharing, forgiveness and self-control
- ◆ Promoting the desire to learn
- ◆ Developing your child's awareness of God's presence through Bible stories
- ◆ Increasing your child's language, listening and thinking skills
- ◆ Developing your child's creativity and special interests
- ◆ Promoting your child's participation in and learning through small and large group activities

Bible stories with crafts are taught weekly.

Our outdoor playground and gym provide development of large motor skills and social skills.

Themes such as families, you are special, the five senses, transportation, community helpers, holidays, animals, cooking and plants are explored in our curriculums.

Experimentation and imagination are taught through paints, seed play, water play, crayons, puzzles, blocks and a variety of toys.

Group times provide children with information and discussion of: weather, time concepts such as calendar, upcoming activities; listening skills through stories, music, rhymes and fingerplays; and science concepts.

Curriculum enhancing field trips are scheduled throughout the year.
