

THE VOICE OF IMMANUEL

April 2015

Why do we sit where we do?

Is this the pew where your parents or grandparents sat?

The light is perfect, the music is just right?

Towards the back, just in case there needs to be a quick exit?

Or is your pew close to your friends?

Our answers can range from sentimental to familiar. Familiar as the songs we sing, the creeds we say, and by extension, the people we sit around.

All valid answers, but Darian Duckworth points out in his blog, *Why Not To Go To Church: Is This Pew Taken?*, are these reasons good enough?

“Do we love our pews more than we love the people who sit on them?” “Are we more concerned with familiarity than we are the hospitality?”

Duckworth goes on to say that our territorial attitudes are a barrier to new people. Already at a disadvantage being new, then experiencing the surprise of being found in someone else’s spot and they are left wondering if they should move, all the while hoping not to endure rejection or hostility for either decision.

To break up our routine we are asking that you sit in a different spot. Imagine yourself as a new member. Experience the worship service out of your familiar surroundings.

Sunday, April 19th

is designated as

SHAKE IT UP

SUNDAY!

Sit someplace different and

Have a conversation with

Another member.

Take the time to really get to

Know other people in our congregation

Even if it makes you feel uncomfortable.

It will be an adventure!

Take the time to try it.

Don't

Underestimate the power of change.

You will gain a new

Perspective of the service from a different seat.

So, on the 19th, **SIT** in a different seat, **SHAKE** a new hand and **GAIN** a new perspective of the service from a new location.

HEALTH NEWS**April – Allergies:**

"I am in pain and distress; may your salvation, O God, protect me." Psalm 69:29 NIV Allergies are unusual, irritating, and potentially dangerous reactions of the immune system to a normally harmless substance. These reactions occur in about one out of every three people. They will attack the respiratory tract, digestive tract, or entire body, but the type and severity of the reaction will depend on the individual's level of sensitivity to the offending substance.

There are three categories of allergic reactions. Mild reactions are localized and include a rash, watery or itchy eyes, and congestion. Moderate reactions can spread beyond the original site of irritation and cause severe itching and difficulty breathing. The worst reaction, anaphylaxis, affects the whole body and is rare but life-threatening. Within minutes severe swelling will make breathing and swallowing difficult, and may include abdominal pain, vomiting, and mental confusion. Persons severely allergic to bees, shellfish, or peanuts should carry a dose of epinephrine to quickly reverse this reaction. Since allergies can't be cured, it is important to determine and avoid the triggers for allergic reactions. Triggers can be environmental (wind, pollen, poison ivy, pollution), chemical (perfume, smoke, cleaning materials, latex rubber, medications), or foods (shellfish, peanuts, wheat, milk, soy, strawberries, eggs). In addition, do not overlook items from the surroundings like animals, mold, bee stings, or dust.

Whether an allergy is diagnosed through the medical testing of a physician or the detective process of an individual, finding the source of the allergy is like solving a mystery. Be observant to symptoms and the activities leading up to them.

Look for connections between a reaction and any changes in diet, environment, or product use. Also consider others and eliminate bringing potential triggers into public venues whenever possible. Through process of elimination, irritants can be discovered and reactions prevented. (Source: HON approved <http://allergies.about.com/>)

WOMEN OF IMMANUEL

Join us Tuesday, April 28th 2015 at 7:00 p.m. as we finish our study of James 5:13-20 (Lesson 12) "FAITH AND RESTORATION." Yes, we are called to win the lost and the wayward. When our faith is genuine we will witness by word and deed a deep spiritual concern for others.

**APRIL STEWARDSHIP PROJECT**

Our Mission Project for April will be collecting money for Lutheran World Relief.

This Easter Season we will be collecting money to purchase "Chicks."

"Buck a Cluck"

Your gift of just \$1.00 will purchase a chick that can make a world of difference. A farm hen and chicks means eggs to eat, eggs to sell, and chicks to grow a flock. With your gift you can help a family escape hunger for good.

Give the gift that keeps on giving...

WE WILL HAVE A COLLECTION JAR IN THE BREEZEWAY.

HOLY MATRIMONY

Morgan Kasey Wood and Jeffrey Jay Blankenship were united in Holy Matrimony on Saturday, March 14, 2015, officiated by Pastor Lehmann.

IN MEMORIAM

Eveline Margaret Ihnen completed her Baptismal journey on Sunday, March 15, 2015 at the Hearth of Tudor Garden, Zionsville, IN. Graveside services were conducted by Pastor Lehmann on Friday, March 20, 2015 at Beckman Cemetery.

Vera Mae Kelley completed her Baptismal journey on Wednesday, March 18, 2015 at Heartland Healthcare, Paxton, IL. Funeral services were conducted by Pastor Busboom on Monday, March 23, 2015 at Immanuel Lutheran Church and burial at Beckman Cemetery.

CALL THE PASTORS

You may be sure of this: your pastors are willing to

come to the hospital or your home, the jail, the street corner, or anywhere at any hour of the day or night when they are needed. Call them if you need them. Otherwise they will not know of your need until it is too late. Do not trust the grapevine to get the message to them. "Everyone already knows" is seldom true and the messages coming through the grapevine are often incorrect. Call the pastors. It is better that they receive the same message several times than to not know of the need at all.

WEATHER CONCERNS

In case of inclement weather, the decision regarding cancellation of worship services will be made between 6:00 - 7:00 a.m. The decision will be announced on our website and Facebook page, as well as on WCIA-TV, WIXY, and WHMS. You may also look on illinoishomepage.net.
