Part Time Director of Music
\$10,500

An established and still growing Protestant church in Chicago's Northwest suburbs is seeking a Part Time Director of Music familiar with traditional, contemporary, and blended styles of music. We are looking for someone with the ability to recruit and inspire participation as we praise God through music in worship, and a willingness to communicate and collaborate with the minister of the church, volunteers and staff. The position entails rehearsing and directing an adult choir mid-August through mid-June, regular accompaniment for one weekly service, as well as other special services during the church year, and funerals and weddings as needed. Instruments: Two-manual Kilgen Pipe Organ, Clavinova, and grand piano.
