**I hereby request and consent** for INDEPENDENCE HILL CONSERVANCY DISTRICT (the "District"), and its authorized agents, contractors, staff, and representatives, to come onto my property and inspect the building sewer that carries wastewater from my building to the District's public sanitary sewer main, including television inspection by passing a small television camera through an access point (clean-out) located on the outside or inside of the home.

This consent is valid only on the following days: \_\_\_\_\_

I understand that: (1) I or a responsible adult representative designated by me must be present to observe the inspection; (2) if necessary, I am responsible for having the building sewer cleaned, at my expense, to remove tree roots, dirt, or any other obstructions that are found to unduly interfere with televised inspection; and (3) the District assumes sole responsibility and liability for any bodily injuries or property damage which might occur in the course of these activities, but only to the extent caused by the District or persons under its control.
