Habitat House

Projects for the month of July will include hanging drywall, installing siding, and painting. Volunteers as young as 16 can work on the site. Contact Carrie Vaughn (carrie.vaughn@habitatspartanburg.org or 864-591-2221 ext 105) for specific dates or check out our July newsletter. Another way to volunteer is to provide the workers with refreshments: Gallon-sized bottled water, a refill of ice (at lunchtime), cups, sunscreen, and water-rich snacks like cantaloupe, watermelon, grapes, plums, blueberries, sweet peppers, etc. Snacks like these keep the body hydrated.
