

**Request For The
Performance of a Wedding By A Christian Minister
Other Than Innisfil Community Church Pastoral Staff**

Board Approved Policy- Feb.3, 2013

Generally the church **DOES NOT** permit weddings in the facility unless they are performed by church staff. Rare exceptions, when they occur, are made only in very unique circumstances.

Before the church facility can be booked, this form **MUST** be completed by the Minister who will be officiating at the wedding.

As a Christian Minister performing a marriage in Innisfil Community Church, I agree to the following:

- 1) I will accept responsibility to adequately provide counselling for the couple to be married.
- 2) I accept the responsibility to arrange for the security of the church including opening and locking the facility.
- 3) I agree to only marry those persons as permitted under the current policies of the Pentecostal Assemblies of Canada.
- 4) I accept responsibility to leave the premises as found, ready for regular Sunday Services following the wedding. This includes the returning of all furnishings used for the wedding to their proper locations.
- 5) I understand that the P.A. System will be used only by qualified persons, and any damages incurred will be my responsibility.
- 6) I understand that equipment not specified in the agreement will not be permitted to be used.
- 7) Arrangements for access to the building will be arranged through the church office **in advance**.

Should the wedding be approved to take place in the facilities of Innisfil Community Church,

I agree with the above stated conditions for the wedding of

Groom: _____

And

Bride: _____

Signed: _____ Date Signed : _____

Minister's Marriage Licence #: _____

This form MUST be received prior to confirming the use of facilities.
