The Daniel Fast

STEP ONE: BE SPECIFIC
Daniel was not vague in his objection to the Babylonian diet. He defined the problem immediately.

1. The king’s food was against dietary laws.
2. Daniel and his friends had vowed against wine.
3. The king’s food had been offered up to idols/demons.

STEP TWO: FAST AS A SPIRITUAL COMMITMENT
The Daniel Fast involves a spiritual commitment to God. “Daniel proposed in his heart that he would not defile himself” (Dan. 1:8).

STEP THREE: REFLECT INNER DESIRE BY OUTER DISCIPLINE
Many people have an inner desire for better health, but they can’t discipline themselves to avoid junk food, and other foods that were not good for health. The physical health you seek from God may be more than an answer to prayer. Your physical health may be linked to any of the following factors:

a. Your food choices.
b. The level of your spiritual commitment as reflected in constant prayer during the fast.
c. Your time commitment. If you determine to fast for a certain time, keep it. For example, if you determine to fast 10 days, don’t stop on Day 9.
d. Your testimony commitment. Your fast is a statement of faith to God that you want Him to heal your body.

Faith is foundational to the Daniel Fast.

STEP FOUR: PRAY TO PERCEIVE SIN’S ROLE IN POOR HEALTH
Notice James 5:13-16:

• Sin is something related to the cause of sickness.
• Lack of health/healing may be the result of spiritual rebellion.
• Lack of health/healing may be due to sin of wrong intake, i.e. drugs, pornography.
• Repentance is linked to health according to James.
• Elders have a role in healing both spiritual and physical health.
• Sick people must desire to be well
• The anointing oil could mean
  1. medicine for healing,
  2. symbolic of the Holy Spirit, or
  3. it could be baptism
• Prayer alone may not gain healing, faith is the major factor.
• In Greek there are several words for “sick”. James uses “Kanino”, which not only includes disease, but also means weak or weary.
• Attitude is important. James said, “are there any among you suffering? Let him pray. Is anyone cheerful? Let him sing psalms.”

STEP FIVE: FAST AS A STATEMENT OF FAITH TO OTHERS
Daniel was making a statement of faith when he asked for only vegetables to eat and water to drink, then dared the overseer to compare the appearance of the four sons of Israel with the young men who ate the king’s food.

STEP SIX: LEARN THE EFFECTS OF THE FOOD YOU EAT
Why are some foods good for us, and other foods not? What does certain food do to your body? If we really knew, there would likely be some things we would never eat again.

STEP SEVEN: YIELD ALL RESULTS TO GOD
Daniel said, “as you see fit, deal with your servants” (Dan. 1:13).

REMEMBER:
• The Daniel Fast will lead to spiritual insight. “to those four young men God gave knowledge”.
• The Daniel Fast is longer than one day. These young men fasted for ten days.
• The Daniel Fast is a partial fast. They ate, but only vegetables and water.
• The Daniel Fast requires abstinence from party or junk foods.
• There is no indication that they ever began to eat the king’s food.

As you fast remember there are no food police. When you fast do it unto the Lord. It is His blessing you need in your life not man’s. Don’t look at what you are missing out on but look at what you are gaining by bringing your whole body under submission to the Lord.

If you have certain medical conditions concerning food it is wise to check with your Doctor prior to starting this fast. However don’t allow that to be an excuse as to why you don’t participate. Everyone can fast something during this time. I know you can live without certain stuff but can you live life to the fullest without a close relationship with the Lord.
FASTING for 21 DAYS

Day 1: Getting Started
Fasting brings one into a deeper, more intimate, and powerful relationship with the LORD. When you eliminate food from your diet for a number of days, your spirit becomes uncluttered by the things of this world and amazingly sensitive to things of God.

“As the deer pants for the water brooks
So my soul pants for you, O God. My soul thirsts for God, for the living God.
When shall I come and appear before God? My tears have been my food day and night,
While they continually say to me, “Where is your God?”
-King David [Psalm 42:1-3 NKJV]

On your first day of fasting, remember:
1. Drink lots of water
2. Keep your focus and avoid temptation
3. Remember your fast and its purpose
4. Get with an accountability partner or group

Physical Effects:
1. Hunger pangs and cravings

Today’s Quote:
“Jesus, while being a very public figure, was actually a very private person. You do not see Him praying in public nearly as much as you see Him praying in private. In fact, our Savior was so committed to prayer that He would often pray for hours on end, even all through the night. He seemed to crave intimate moments alone with His father in heaven.”

Keep a journal as you go through this experience. Every day you will be provided with a few questions to guide you with your thought process. Here are a few questions to help get you started…

Thoughts for your Journal:
1. What are your own personal reasons for fasting?
2. Do you desire sensitivity to the things of God?

Day 2: Hungering for Living Bread
“As David stated in Psalm 42, ‘Deep calls unto deep.’ Week 1 is that first step down the path to your breakthrough. The first step is many times the hardest step, but as you walk through this journey, you will find that God is there to meet you at every critical point along the way.”

On your second day of fasting, remember:
1. Drink lots of water
2. Rest to conserve your energy
3. Pray…The second and third days are the hardest

**Physical Effects:**
1. Tongue begins to coat
2. Hunger pangs increase
3. Cravings are intense at times
4. Headaches can begin
5. Your body starts burning fat for energy, this is called ketosis

Today’s Quote:
“Out of those private and profound times alone with His Father came an enormous outpouring of public demonstration where God’s power would be poured forth in healings, raising the dead, abundance and more. Victories are not won in public, but in private. That is why fasting, whether corporately or individually, is a private discipline.”
Jentezen Franklin

Thoughts for your Journal:
1. Do you need a deeper, more intimate and powerful relationship with the Lord?
2. Do you need a fresh encounter with God?

**Day 3: Getting Past Your Quitting Point**
Are you ready for a breakthrough unlike anything you’ve ever experienced before? Remember to continually pray because only God can provide you with the strength, both physically and emotionally, that you will need during these 21 days.

**On your third day of fasting, remember:**
1. Drink lots of water
2. Chew on some sugar free breath mints or gum
3. Pray for encouragement
4. Avoid smells and other temptations

**Physical Effects:**
1. Tongue is coated over fully
2. Hunger pangs increase
3. Cravings are intense at times
4. Ketosis is in full process
5. Noticeable weight loss begins
6. Headaches might still be apparent

Today’s Quote:
“I have seen people who have never fasted before experience marvelous breakthroughs in their lives. If you are ready to bring supernatural blessings into your life and release the power of God to overcome any situation, begin today making the discipline of fasting a part of your life. God is no respecter of persons…what He has done in our church, in the
lives of our members, He will do for you when you set your heart to seek Him through fasting.”
Pastor Danny Sartain

Thoughts for your Journal:

Charles Swindoll Intimacy with the Almighty

Charles Swindoll - Intimacy with the Almighty
