New IMN Website Operating as a Network requires us to find ways to share ideas, innovations and resources with each other. Distance and expense present a challenge to that kind of kingdom-minded networking. That is why IMN is launching a new web site. The new site is designed to help us with social networking and providing resources for pastors and churches who are focused on fulfilling the great commission.

The **2012 Women's Conference** will be March 30-31 at First Assembly of God in Des Moines. Our speaker will be Dr. Beth Grant, co-founder of Project Rescue, which will be our missions project this year. Postmarked on or before March 15th, registration will be \$40, \$50 if postmarked after March 15th, and \$55 at the door. Plan now to join us!
