CAMP

The Junior High Track is an age appropriate camp setting geared specifically toward the junior high student. With senior high camp running simultaneously in other Sunstream facilities, it enables churches to budget and prioritize counseling while remaining cost sensitive to families. Recreation and spiritual experiences are provided with the social needs of junior highers in mind and enables us to avoid power imbalances. This specialized track is offered the first week of camp in June. The Junior High track includes separate accommodations, recreational time and morning chapel.

Combined Camps exist because many of our churches do not have the privilege of full time staff to disciple junior and senior high students nor the personnel to adequately counsel everyone they bring. We provide combined camps for transportation convenience and to provide trained counseling to all churches regardless of size. This allows us to remain sensitive to the many leaders and counselors who invest a week of vacation to serve at camp. The combined approach also provides additional opportunities for peer mentoring (a viable force in discipleship) and a platform for the spiritually mature student to develop leadership skills while interacting with those younger.

Kids Camp is designed to give our youngest campers an "EPIC" life experience. EPIC stands for: experiential, participatory, image-rich, and connections. The EPIC design assists in developing a camp atmosphere where our children have the right balance of social and learning interaction, while developing a life long relationship with Jesus and their peers. Some of our camp activities include: live worship, relevant skits, interactive teaching, multi-media, hands-on projects, and exciting games.

Activities

Sunstream Retreat Center offers many activities including five zip lines, Zorb balls, off-road go-karts, swimming, mini golf, indoor game room, glow in the dark noodle hockey and dodgeball, and much more. Sunstream Retreat Center provides certified lifeguards for all of our camps, and Red Culture provides licensed medical staff for each week.

Camp T-shirt

A Red Culture camp t-shirt is a great memento. You can pre-order a shirt for your student, and they can receive it the first day of camp. Please indicate the appropriate size on the registration form and include \$12 with your registration deposit. XXL and XXXL shirts are \$15. Sizes cannot be guaranteed for late registrations. A limited quantity of shirts will be available for sale at camp at the on-site rate of \$20.

Camp Memory Book

A camp Memory Book is a lasting memory of camp that your student will cherish for years, and that you can discuss as a family. You can pre-order the Memory Book for \$15, and your student will receive a copy at the end of the week. There will be a limited quantity available at camp for on-site requests.

Snack Shack and Red Culture Store

Although the meals at camp are prepared with excellence, we understand that community is formed around food. Sunstream Retreat Center operates a snack shack featuring bottled water, juice, soda, chips, ice cream, candy, burgers, nachos, and more. We suggest bringing a minimum of \$15 - \$20 to spend on snacks. Red Culture operates a store featuring discounted T-shirts, stamps, pens, journals, and other accessories. Red Culture will release product prices to your church leaders via facebook, and twitter in May so you can prepare accordingly.

Age Policy

The age limit along with the programming at camp are designed according to both spiritual and physiological needs. The Iowa Ministry Network feels that it is in the best interest of the student that their camp experience be synonymous with their normalized experience; the normalized experience being the public or private school where they are currently involved. The minimum grade level required at each camp refers to the grade they will attend in the fall of 2013.

Camp Code of Conduct & Visitor Policy

Our Camp Code of Conduct is congruent with what campers would experience in school or in the children's or student ministries of a local church. All campers and their legal guardians are required to sign and date the Code of Conduct form in order to attend camp. This form must be included with your registration.

For the protection of all campers, no visitors (other than relatives and pastors) will be allowed on campus. Visiting day is Tuesday only from 6:30 pm - cabin time. All visitors must check-in and check-out with the camp manager or an individual approved by the camp manager. In order to receive approval for your visit, please e-mail Nathan at nschaad@imnag.org with your name, phone number and the student(s) you wish to visit at least 24 hours prior to the day you'd prefer to visit.

Health Policy: Lice Checks & Medication

It is always our number one priority to protect your campers and to help promote a healthy camp environment. Our policy prohibits anyone with head lice to be admitted to camp. Please inspect your student for lice 14 days prior to attendance and again on departure day.

All medication is required to be turned in to the camp First Aid Personnel at registration. This policy includes all counselors and/or volunteers approved to room with students. The Camp First Aid Personnel will be responsible for dispensing all medications. Prescriptions and over the counter medications are required to be in their original prescription bottle or container with the dosage and instructions still intact. Please place all prescriptions and medications in a ziploc baggy with the campers name, the church they are traveling with and the city the church is located.

Early Pick-up Policy (and picking up a sick camper)

No camper is allowed to leave the campgrounds without the proper paperwork, including legal guardian consent. Please fill-out the section on your registration form titled, "Early Pick-up." Indicate the individuals approved to pick-up your child for appointments, in cases of illness, and/or emergency situations. Otherwise, the only individual allowed to pick-up a camper is their legal guardian. Please inform your leader well in advance (if possible) if you intend to pick-up your camper early.
