

IRBC HAS MADE AN IMPACT

In 1982, I was a troubled and confused teenager searching for the purpose of life. A school friend invited me to Senior High Camp. That week, I sat amazed as Dr. Paul Dixon spoke. It was as if he knew my struggle and confusion. Through his messages and the ministry of my friend and our youth leader, I found what I had been looking for - a personal relationship with Jesus Christ! My life has never been the same! **My mom and dad say that week of camp at I.R.B.C. was the best investment they ever made in my life.** I would have to agree!

*-Tim Moore, Pastor
LeClaire Baptist Church*

I've always known the morals of the Bible, but I figured, "Live life today; ask God tomorrow." Life was miserable - I was always in trouble with someone or something. A week before Sr. High Camp, I visited church with my brother. I didn't have the money for camp, but they said, "Go, we'll pay for it." That week at camp, God kept pounding on me. **It was the Holy Spirit that pushed me up the aisle to put my trust in Christ, and now He lives inside of me.**

Words are inadequate to describe IRBC's impact on my life. As a teenage girl in a youth group consisting only of my brothers and no Christian friends at school, **camp offered a safe haven where I was refreshed by sound teaching of the Word and fellowship with other Christian teens.** The decisions and friendships made at IRBC have proven to be lifelong, strengthened year by year.
