

Special Camp is...

Special Camp is for the mentally handicapped. It is a great opportunity for them to experience the unique atmosphere of camping. The summer of 2012 we had 85 campers. We enjoyed having campers from across the states of Iowa and Minnesota.

Our staff and nurses have volunteered for multiple years and offer a great level of experience. They show the love of Christ as they help campers through the different activities.

Camp is fun, and we love to share that with our campers through the various activities. Chapel, softball, basketball, swimming, pontoon boat rides, crafts, singing, Bible lessons, and carpetball are just a few of the favorites.
