

EMERGENCY DECLARATION NOTICE

PROJECT	Colfax City Hall	PROJECT #	19048
OWNER	City of Colfax	DATE	August 10, 2020
LETTING DATE	August 12, 2020	ADDENDUM #	N/A

TO ALL HOLDERS OF DRAWINGS AND PROJECT MANUALS

This notice is being issued to delay the bid date due to an unforeseen act of nature this morning. Receipt of this notice is not required to be acknowledged and therefore the Form of Bid will not change.

Bidders shall be advised of the following clarification after our consultation with the City of Colfax City Attorney. The below shall supersede, modify, and/or change all statements or drawings to the contrary in the drawings and project manual and shall take precedence over these documents. Bidders shall still base their bid on the drawings and project manual and as modified by the Addenda previously issued.

As you may know, this morning and early afternoon severe thunderstorms with winds in excess of 70mph passed through our area. This caused widespread damage and power outages throughout the area, including to the City's offices at City Hall. As a result of this storm damage and the resulting power outages, we are extending the bid deadline to all prospective bidders by a period of 48 hours. **The new deadline for submittal of bids is August 12, 2020 at 2 p.m.** If you have already submitted your bid, you will have the opportunity to resubmit an updated bid prior to this new deadline. We will also take this opportunity to redefine that the bids will be opened and read aloud directly after bids are received at 19 E Howard Street, Colfax, Iowa in lieu of at the corresponding City Council meeting originally outlined in the Notice to Bidders.
