

ISRAEL'S REDEMPTION

...so all Israel will be saved...

Romans 11:26

July-August 2016

Can the Jewish People be reached in THIS Generation?

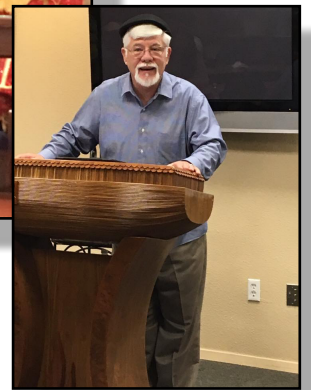

The prophetic words of Yeshua (Jesus) motivate and compel our unyielding diligence in believing for Israel's Redemption. "Look, your house is left to you desolate! For I tell you, you will never see Me until you say, '**Baruch ha-ba b'shem Adonai**. Blessed is He who comes in the name of the Lord!'" (Luke 13:35 TLV). We work with expectation to witness the day when Jewish people cry out to their Messiah with these very words.

Assemblies of God National Jewish Fellowship

Kassiani and I were privileged to attend the NJF-AG annual meeting in San Antonio, Texas in June. Ray presented a teaching on Biblical Godly Leadership based upon biblical models and patterns. It was very well received by the Jewish ministers.

National Jewish Field Representative

As the AG Jewish Field Representative, Ray seeks to strengthen the hand and ministry productivity of all AG missionaries among the Jewish people. There are two newer avenues of appointed missionary ventures that Ray is close advisor and contributor towards. (cont. on page 2)

Pray for the peace of Jerusalem— "May those who love you be at peace!
May there be shalom within your walls— quietness within your palaces."

Psalms 122:6-7 (TLV)

National Jewish Field Representative

(continued from page 1)

(1) Appointed missionary Bill Bjoraker of Southern California has asked Ray to serve on his new board of advisors as he launches a critically important Jewish ministry training program in concert with a host of outreach ministries. Watch for developments as we work together on this missionary training program.

(2) Appointed missionary Felix Halpern of New Jersey/New York has asked Ray to serve as the Executive Director of Education for the new Metro Jewish Resource Center serving the Northeast region. Ray will be conducting a seminar on the Fall Feasts of Israel to train a host of workers to conduct Jewish holiday services this Fall for Jewish evangelistic purposes. This will be held at Capital Assembly of God in Hamilton (near Trenton) New Jersey. There will be a Spring Festivals seminar in March 2017 to the same evangelistic purpose in both New York and New Jersey.

Global University

I am so pleased that Global has requested that I craft a course for international use on the

“Introduction to Jewish Studies.” Hopefully this will be but the first in a series of courses designed to educate the 70,000 university students of Global for effective Jewish evangelism in their respective nations.

The Messianic Jewish Bible Institute (MJBI)

As you will recall, we have turned over the directorship of the Messianic Jewish Studies Program at The King's University after eight years so that we might have the freedom to craft a three-year curriculum for MJBI to offer courses at university level in the Bible schools that have arisen as a result of Messianic Jewish Revivals in a host of nations. I travel to Addis Ababa, Ethiopia, for the launching of the first of our KADIMA bachelors programs in September.

HEARTFELT THANKS FROM RAY AND KASSIANI

Your monthly sacrifice enables our lifelong pursuit of Israel's Redemption. We are still as engaged as ever and still as hopeful that “All Israel Shall Be Saved” in our own generation. We are laboring and exerting faith (and faithfulness) to that end. Thank you for faithfully standing with us!

Ray and Kassiani Gannon
