SOME GOOD ADVICE

**Train a child in the way he should go,
and when he is old he will not turn from it.**

Proverbs 22:6

NOT - - - - -

Drop kids off so others can educate them and hope it works out
Train children in the way you think they should go
Train children in the way you were trained
Let kids work it out for themselves and go their own way

train

Start, equip, discover, teach, mentor, engage, inspire, empower,
model, demonstrate, walk with, have a conversation...

Figure out the game
Allow players to reset

Open our minds to potential and growth to new levels

in the way they should go

NOT - - - - -

The way the world would have them go
The way we want them to go
The way they want to go

in the way God wants them to go

WHEN THEY'RE OLD...

When they're old and you're gone, will they know who they are?
Will they have the confidence, skills and health to walk the path
God has for them?
