

A Special Invitation

Re: Discover Israel Tour – A JDI Travel Signature Event

Dear Pastor, Ministry Leader and JDI Alumni,

We invite you to experience the land of Israel for the first time or as a returning guest on much more than a sight-seeing tour. Filled with new discoveries at biblical sites and from sessions with local leaders, this sabbatical is rich in leadership principles and spiritual applications. It is designed to both refresh and inspire you.

A visit to Israel will greatly impact the Pilgrim traveler. With this in mind, together with the cooperating airline, Israeli hotels and ground service providers we hope that you will share your experience and return to Israel with guests. A rebate and courtesy ticket(s) are offered to those returning with a group of 15 persons or more within a year.

We sincerely hope you will be able to join us for this JDI signature event offered at a greatly reduced rate.

In His Service,
Christine Milan
