The Big Picture:
First and foremost, you are responsible for being a Christian witness to middle school students and adult participants. You are asked to help in creating a Christian community throughout the week by affirming youth you come in contact with, working together, playing together, worshipping together, and participating in all activities.

Some details:

1. You will be responsible to the Camp Director throughout the week.

2. You will be given several jobs that you will be responsible for carrying out each day. **Your primary responsibility is to assist the Tool/Site Coordinator.** Other responsibilities include leading/assisting with lunch preparation each morning, delivering materials to the work site, etc.

3. You will be assisting the Program Director as needed. This may include creating/presenting a skit with other staffers, or simply running around getting supplies needed for the evening program.

4. You will most likely spend some time at a work site assisting another staffer and a work crew.

5. You will have several jobs that must be completed before campers arrive on Sunday. These tasks include creating a welcoming environment for the campers by "decorating" their cabins, putting care packages together, creating signs to welcome the campers as they arrive in their vans, writing up daily schedules, etc.

7. You may be asked to assist in creating a skit on behalf of the entire staff that serves as a means of introducing the staff to the campers.

8. You are expected to be "on" whenever campers are around. This means interacting with campers during free time and always being available.

9. You are also expected to be available for any task that needs to be completed to help the camp run as smoothly as possible.

10. The entire staff meets every night for staff meetings after the campers are in bed. The meetings are designed to prepare the camp and staff for the next day’s activities.

Other:

You will have your own staff cabin to sleep in.
