

# Jeremiah's Crossing P3 Network Registration

## The Power of 3:

Lately, if you've been around Jeremiah's Crossing, you have heard Kathleen speak of the "power of 3." There is strength in having partners. We cannot accomplish all that God has planned for Jeremiah's Crossing alone. Even He believed in the Power of 3!

So, in that spirit, we invite you to join our Power of 3 - P3 Network.

Jeremiah's Crossing is seeking volunteers to assist with all aspects of our ministry.

Do you have a special skill or talent? Are you looking for an opportunity to give back to our community? Are you passionate about helping people succeed? Do we have an opportunity for you! Complete this registration form and get ready to impact our community by sharing what you love!

Here are some of the ways in which your talent or passion could assist our ministry. You may indicate interest by marking the opportunities (I) interest or (E) experience.
