Celebrating Our 10 Year Anniversary!

Jeremiah’s Crossing has been providing horseback-riding lessons to students who are challenged by special needs since 2006. It seems like only yesterday that one special mom asked if we would help her daughter by allowing her to ride our horse. (You may read their story on the other side of this letter.) The journey has blessed us and has allowed us to be a blessing.

Since our beginning, it has been our God-given mission to provide lessons at no cost to students. God has been faithful in providing for our needs and has kept us growing, sometimes faster than we could have ever imagined. Along every step of the journey caring individuals, civic organizations, and congregations have come along side and have helped wherever and whenever a need arose. We are so grateful for their care and commitment to this ministry and everyone who is part of it.

As we look to the future, we are committed to building an indoor facility. Our specially designed complex will provide:

- A place to hold lessons on a consistent schedule. Weather, shorter days, and bugs will no longer hinder our opportunity to serve our students.
- The opportunity to schedule longer lesson seasons.
- The opportunity to schedule more evening lessons.
- A barn with stalls, hay storage, tack room, and wash rack to house our faithful program horses, and provide space for our veterinary staff to help us care for them.
- Offices, family waiting room, and supply rooms, so we can better serve our students and their families. The entire facility will be accessible to people with special needs.

You may view our plans at our website – www.jeremiahscrossing.org.

We know this sounds like an ambitious project. It is! We serve an awesome God whom we believe is willing and able to do mighty things at Jeremiah’s Crossing. His plan was formed long before we understood our part in it, and He provides in abundance if we are faithful. So, we have designed our arena/barn complex in such a way as to honor Him as we serve our special riders and their families.

Now, by purchasing your ticket to the Annual Phantom Barn Dance, you can be part of helping us help the greatest riders around! To date we have raised $58,000. We need to raise $500,000 to complete this project. Every donation makes a difference. Every prayer makes a difference.

We encourage you to turn the page and read the story about our very first student and her amazing riding partner, Star. (You might want to have a tissue handy.)

Thank you for your support. It has been an amazing 10 years. We pray you will be along for the journey over the next 10 years as God continues to work in the lives of all who are part of the Jeremiah’s Crossing family.

Blessings,
Jeremiah’s Crossing Board of Directors
