Why: The summer lesson season begins on Monday, June 12.  
Lessons will be held on Mondays, Tuesdays, Wednesdays, Thursdays.

We can't wait to introduce you to  
our fantastic equine program  
partners and help you learn to  
communicate with them.

For the eighth year, Jeremiah's Crossing volunteer training will feature natural horsemanship training demonstrations, hands-on instruction, and question and answer time. Terry Blessing, Young Horse Specialist from Lamoni, IA will share with all of us a plan for handling our horses that will help the horses be healthier and happier members of our lesson team, and will also make volunteering easier and more enjoyable for you. In addition, Jeremiah's Crossing staff will review safety procedures and volunteer expectations and introduce Parelli-style handling techniques.

Please plan to attend the appropriate session indicated above. Each has been designed to take your volunteer experience at Jeremiah's Crossing to the next level. If you are a Rookie at Jeremiah's Crossing, but have horse experience, you must attend the Rookie session. However, we invite you to attend an additional session as well. Please contact the ranch for more information regarding which additional class would be best for you.

Within the warmth of my horse's  
breath, I will find the air I need to  
live today. I will find the wind to  
fly to the heights of my dreams  
and within I will find the one I am  
meant to be.
