

# Dance with Me - G

John Hurlbut  
Capo 2 for guitar

*Intro:* G // | D/F# // | Em // | G // | D/F# // | Em //

*Verse 1:*

G                      Em7                      C  
Waiting all of my life, for this moment  
    Dsus - D/F#  
To sweep me away  
    G                      Em7                      C                      D/F#  
And say all of the words, that mean forever, for - ever.  
    G                      Em7                      C  
When all this waiting is over, and time is still  
    Dsus - D/F#  
I'll finally see you  
    G                                      Em7                      C                      Dsus - D/F#  
And know you closer than close, like a lover, a lo - ver

*Pre-Chorus:*

Am7                                      D/F#  
Tonight, I just don't know what to do  
    Am7                                      C                      Dsus-D  
But I know that I won't take my eyes off you!

*Chorus:*

G                      D/F#                      Em7  
Dance                      with                      me  
    C2                                      D/F#  
Move to this rhythm di - vine  
    G                      D/F#                      Em7  
Sway                      with                      me,  
    C2                                      D/F#  
As our hearts are intertwined  
    C2                                      Dadd4  
All of my life is here in your arms  
    C2                                      D/F#  
Dance with me, share all I can't see,  
    G  
Would you dance with me!
