

**Daybreak - E**  
John Hurlbut  
Capo 5 for guitar  
*Based on Isaiah 64:4*

*Verse 1*

E/G# / / / E/B / / / E/G# / / / E/B / / /  
Look outside and see the ocean breathing,  
E/G# / / / E/B / / / E/G# / / / E/B / / /  
As it throws its foamy waves upon the shore.  
E/G# / / / E/B / / / E/G# / / / E/B / / /  
It looks as if the day is getting started.  
E/G# / / / E/B / / / E/G# / / / E/B / / /  
It seems as if the sun is marching forth.

*Pre-Chorus*

A/C# F#m7 E/G# / / / E/B / / /  
And everything is singin' out your name,  
A/C# F#m7 E / / / E7 / / /  
Beauty like a symphony of praise.

*Chorus*

A  
And I'll wait for the sun to rise,  
F# (open) A/C# E / / / E7 / / /  
To settle into cloudless skies yes, I'll wait, yes I'll wait.  
A  
And I'll wait just to hear you speak,  
F# (open) A/C# E / / / E7 / / /  
The words my soul has come to seek, yes I'll wait, yes I'll wait.

*Verse 2*

E/G# / / / E/B / / / E/G# / / / E/B / / /  
Morning light shines brightly over water  
E/G# / / / E/B / / / E/G# / / / E/B / / /  
Reflections dance on rock and reef and into sand.  
E/G# / / / E/B / / / E/G# / / / E/B / / /  
Ready for the dawning of a new day  
E/G# / / / E/B / / / E/G# / / / E/B / / /  
Waiting for your light to lead me by hand

*Pre-chorus 2*

A/C# F#m7 E/G# / / / E/B / / /  
And now I come to hear you speak my name.  
A/C# F#m7 E / / / E7 / / /  
Alone with you before the break of day.

*Chorus 2*

A  
And I'll wait for the sun to rise  
F# (open) A/C# E / / / E7 / / /  
To settle into cloudless skies yes, I'll wait, yes I'll wait.  
A  
And I'll wait to hear you say my name  
F# (open) A/C# E / / / E7 / / /  
Cos' I don't wanna end the day the same, yes I'll wait.

*Outro*

E B A  
Yes I will wait, yes I will wait, yes I will wait (x3)
