

Gone Away - G

John Hurlbut
Capo 6 for guitar

Verse 1:

G G/F#
Up in the bedroom I saw you.
Em7 D/F#
We were so out of time.
Am7 C2 G D/F#
As I passed you could not gaze into my eyes.
G G/F#
And in some clouded judgment,
Em7 D/F#
I had nothing to say.
Am7 C2 G D/F#
As I let you go right on and drive away.

Chorus:

G D/F# Em7
I came here wanting, you to still be here.
C2 G
I came here hoping nothing had changed.
(G) D/F# Em7
I came in a moment, ready to find you.
C2 G D/F# Em7
But you had gone away, awa - y, away.
C2 G D/F# Em7
You had gone away, awa - y away,
C2 G
You had gone away. (repeat)

Verse 3:

G G/F#
And so the story continues,
Em7 D/F#
And so the story goes on and on.
Am7 C2 G D/F#
I never knew it would leave me so alone.

Outro:

D/F# C2
When I unravel
C slide to D D/F#
You hold my string. *(repeat)*

 C2 G
But you had gone away.
