“Work On Your Power House”

Sermonic Text: “John 11: 38-44”

1. The world of the dead and the behaviors of the living can't be compared!
2. Mary was told “why do you seek the living among the dead”.
3. Before we came to Christ we are dead---we were a Lazarus (we had cotton in our ears/nose/face covered and tied and feet bound {**how Ugandans are buried**}). We were living in the land of the dead!
4. When Jesus called Lazarus to come forth he came up; but he was still bound.
5. Jesus said loose him...when we give our life to Christ--- we come with the life of the dead...until we are born again.
6. You can decide whether we are lost or not; we have many in the church who are still Lazarus!
7. Someone who is bound can't do anything totally/fully.
8. He/she can be in Christianity for 10 years and still be bound (what makes sense is for you to become a real Christian).
9. What makes you a real Christian? You must work on the things you need too!
- 10.If you are to “Work On Your Power House” you must start here.
- 11.You change houses and you go to another house with the same “head”.
- 12.You blame other people...the trouble is your “head”!
- 13.If you don't work on your head; you will never solve your problem.

Romans12:1-2 –Read

1. Don't do things like the world; the world is ‘the world of the dead’.

2. In the world of the dead is the world of bondage---that is why we bind the whole body.
3. The church has not made impact in the world; but the world has made an impact into the church!!!!
4. Instead of admiring the world of the living they are admiring the world of the dead.
5. We should not be conformed to the world of the dead (America is the world of the dead).
6. You are living in the world of the living among the world of the dead.
7. We should not be like them.
8. The problem is not with the government, it is with the church.
9. The church has failed to serve as “the church of the living”.
10. We must work on the power house...the renewing of our mind.
11. “You live your mind, you work your mind, you eat your mind; all I have to do is look at you and I will see your mind!
12. When you don’t handle well your mind; you will find you are not living in the world of the living.
13. When your mind is not transformed they affect your future:
 - a. your victory begins in your mind,
 - b. your changes begin in your mind,
 - c. your progress begins in your mind,
14. Your mind is very dangerous if you don’t deal with it!
15. Everything we use comes from the mind of some one.
16. You renew your mind with the word of God... you become exactly what the word of God says.
17. When you renew your mind you will not see things the way the world sees it!
18. We should not compare ourselves to other people ---we need to compare ourselves to the “Word of God”!!!

The word of the Lord shall not depart from you...meditate on it day and night.

1. The word of God is the will of God!
2. When you are working in the will of God; God and the angels will back you up!
3. The word of God is the power of God; when you use the word of God you are using the power of God!

4. When the devil controls your head he has you; he does not ask permission
5. God asks...He comes at the door and knocks!
6. You renew your power house by what you hear...that's why we put cotton in your ears!
7. Remove the cotton and start hearing the words of God...not T.V., your surroundings.
8. If I want to understand your future I can look at 5 of your friends.
9. We kick out the devils and what you are hearing brings them back!!!!
- 10.If you want to work on your power house make time for small groups... bible study.

When you “Work On Your Mind “you keep the devil out”!!!

“Always make your recreation a re-creation!”
