King's Way Foursquare Church is committed to reach and disciple the next generation through Camp ministry.

Each summer, Camp King's Way hosts hundreds of young people seeking to grow in their faith. As a church family we assist Camps in as many ways as possible. We encourage you to serve at Camp this summer.

*Church fellowship is encouraged off-site. You will notice many ongoing ministries have ended and plan to restart in Fall. **Watch for these discipleship opportunities to***

begin again in September: Rangers, Gems, J-12 (Wed 6:30)—Youth Crew (Tues 6:30)—Women's Fellowship—

Camp is a great time to influence the life of a young person forever! Testimonies reveal that Camp changes hearts. 70% of pastors had a significant experience at Camp including salvation, baptism in the Holy Spirit and calls into ministry! You can be a part of Camp.
