Welcome to Lake City Community Church!

I am glad you have chosen to worship with us today. I hope you will become part of our church family. We are striving to become a church that fulfills God's purposes in the world. This begins by focusing on building quality relationships with God and with each other.

You are welcome here no matter your background or where you are in your spiritual journey. Our goal is to help you discover and live out God's purposes in your life. If you have questions about us or spiritual matters, we would love to help you find answers. Please mark the Communication card and someone will respond to you.
