I never cease to be amazed by the gifting and heart that God has blessed our church with. This is especially true when it comes to those that graciously serve within the Worship Arts Ministry. The Christ in Xmas, written and directed by Jeremy Evarts, was creatively crafted and composed, and proved to be a significant undertaking. It was a tremendous honor to see our servant volunteers arise to each task that was presented and carry out the work of the ministry with enthusiasm and proficiency. May God bless you for the ways you have blessed me and the body of Christ at Lake City Community Church! Merry Christmas, Yeah! Pastor Mark
