# Opportunities

From The

**Senior  
Pastor**

He arose and it shows! I'm glad that the tomb is empty. Though it seems that we are getting further and further from the "Truth", I am glad to report that Christ is still affecting the World you and I live in today, but remember we are like springtime. The buds turn into leaves that end up yielding fruit for consumption. You and I are called by God to have fruit in our lives so others will see Christ. We naturally affect others because of the difference He has made in our lives. I hope you seize the opportunity that Christ has afforded us to be fruit to others.

Jay Frazier  
Senior Pastor
