

## **HELP FOR VICTIMS OF HURRICANE FLORENCE**

Hurricane Florence resulted in massive damage and suffering for our neighbors east and south of us. Recovery will be a long and arduous process as we well understand. Thank you to everyone who has donated supplies and money so far.

CBF Global has discovered that the community of Trenton, North Carolina, received no assistance following the storm. They are asking congregations to provide help to the people of this small town.

If you would like to spend a day helping clean out homes that were flooded, or help in some other way, please call the office to let us know. We already have a few people who are interested in helping and we will coordinate getting a group together. At the same time, we will send the supplies we have collected to help the residents.

We will continue to collect cleaning supplies such as five gallon buckets, mops, sponges, multipurpose cleaners, bleach, and mold remover. Financial gifts will be received as well.
