Engage our Fears and Mobilize our Hopes."

This event will explore how new insights from the "Leading Causes of Life" illuminate both theology and practical ministry in the life of our community as we recognize our community assets and how they relate to community challenges, especially violence.

Dr. Gary Gunderson is Vice President for Faith and Health, Professor of Public Health Sciences, Wake Forest Baptist Medical Center and and Professor of Religion and the Health of the Public, Wake Forest University School of Divinity. His focus is on faith as an asset for healthcare and the health of the community.

Dear Lakeside Family,

Thank you for the gift you gave to First Baptist, Kannapolis, in memory of my dear mother and your first "First Lady" Bettie Godwin. Oh, how she loved Lakeside's people, vision, and witness! She spoke often and fondly of Lakeside memories and kept up with Lakeside happenings. We are so grateful for her painless and peaceful death-she testified to God's love and faithfulness with every breath, up to and including her last. Truly, she "entered His gates with Thanksgiving, and His courts with praise." Many blessings to you all in 2015 as you continue being Christ's presence on Sunset Avenue and beyond.

His, Haven Godwin Parrott

YOUTH NEWS

Many thanks to Andersen and Reynolds Cobb, Addie Jones and Sara Raper for assisting with delivery of the Homeless Care Backpacks last week. Salvation Army, Tar River Mission Clinic and United Community Ministries were thrilled to receive the bags filled with emergency supplies for those to whom they minister.

I have missed having the group together over the past few weeks and look forward to being back on a regular schedule with choirs and dinner this week. The youth will meet together at 6:30 p.m. in the Youth Room before attending the Turnage Lecture at 7:00 p.m. in the sanctuary. I encourage all of you to be here.

I look forward to seeing you for Sunday School and worship. Elizabeth

WORSHIP AIDS FOR CHILDREN

Beginning Sunday, there will be new additions to the Children's Worship Bags. To involve the children more in worship and teach them about the elements of worship, the bags will include bookmarks for marking their hymnals and Bibles and questions to guide them in thinking about worship itself. Encourage your children to answer the questions and show them to one of the ministers as they leave worship so that we may talk to them about the service and encourage them. Please leave the bookmarks in the bags each week, but take the questions home to use as an opportunity for discussing the worship experience with your children.

WINTER BIBLE STUDY

Our next adult study group will be a five-week Bible study of the book of Ezekiel. Participants can choose a Tuesday evening group that meets at 7:00 p.m. each week beginning January 13 or a Wednesday morning group that meets at 10:00 a.m. each week beginning January 14. The study guides cost \$7 each and are available in the church office. Please call the church office to sign up for a group.

MUSIC NOTES

The children had a marvelous time at the performance of Prokofiev's "Peter and the Wolf" given by the NC Symphony and Triangle Youth Ballet! They heard music of other famous composers while watching the BIG orchestra play and saw characters come to life in a story of courage and teamwork. Earlier, they enjoyed fun activities such as an instrument petting zoo, face painting and musical crafts. Thank you to the parents and grandparents who supported this event.

Rehearsals resume next week: children and youth on January 11, Chancel Choir and Lakeside Ringers on January 14. See you in rehearsal and worship.

Amy
