

PRAISES

- Thank God for the many new people coming to our church. Pray that He would help us continue to be hospitable to our first-time guests as we seek to introduce and incorporate them into our body. Pray that the Elders would have the wisdom and skill to effectively shepherd and lead our growing flock.
- Praise God that Brandon Rys' new brace is strengthening his leg to enable him to walk again. Continue to pray for God's provision for his medications.

CHURCH BODY

- Pray for continued health in the Pigott's household as a fever would quickly send them back to Texas Children's Hospital.
- Danny Parrot's liver treatments are not going to start until he sees two more doctors. Pray that God would halt the advancement of his liver failure. When treatments begin he will get one shot a month for a year that will be very expensive. Pray God would provide the necessary finances.
- Pray that Ken's messages on The Lord's Prayer would be used by God to powerfully impact the personal prayer life of the church body and to bring them into a more intimate spiritual relationship with Him.
- Pray for the persecuted Christian brothers and sisters around the world.
- Mary Ann's son Allan needs prayer because he started chemotherapy and radiation treatments. Allan also needs prayer for relief from the pain from shingles. Please pray that God would heal him.

MISSIONS

- Pray that God will give clarity to those deciding whether they will go on a Short Term Mission Trip this Summer.
- Pray for God's blessing on LBC's local outreach to the Spanish speaking community. Praise God that it has already begun bearing fruit.
- Pray for the Donatos ministering and equipping in Honduras through the conference center and the local church.
- Pray for Grace Church of Tirana, Albania. They have a pressing need to raise \$200,000 to continue in their transition towards an independent church facility. They have outgrown their former location, and are trusting the Lord that He will provide the means for their new facility. Pray for a budget shortfall for the seminary. Pray for the new church plant in Babrru.
- Pray for the PTI ministry in India as they interview a potential missionary from the USA to join their team.
- Pray for Vitaly Bak, the Russian church planter LBC supports, as he ministers in the spread out and physically taxing conditions of Siberia.
- Pray for Steve & Susan Vinton who work for God through education in Tanzania. Pray for the needs of Susan's ministry both financial and medicinal.
- Please pray for this week's upcoming meetings with Ugandan Baptist leaders. 13 Baptist regional overseers nationwide will be coming to meetings March 7-10 hosted by Shannon and the Baptist Union of Uganda president, Michael Okwakols. Please pray that they will all share the vision for discipleship and leadership training for the nation's Baptist churches.
- Pray for additional funds for Write-Way Prison Ministry, which is now serving around 8,000 inmates who continue to study God's Word. Pray God would provide Spanish speaking graders for this ministry.
