NEW EQUIPPING HOUR SUMMER SERIES

Date: June 5 - August 28

Facilitator: Fred Sabins

**What does it take for lasting change
to take root in your life?**

If you've ever tried, failed, and wondered why, you need to be a part of our special Equipping Hour Summer Series, *How People Change*. This series explains the biblical pattern for change in a clear, practical way that you can apply to the challenges of daily life. A changed heart is the bright promise of the gospel. When the Bible talks about the gift of a new heart, it doesn't mean a heart that is immediately perfected, but a heart that is capable of being changed. Jesus' work on the cross targets our hearts, our core desires and motivations, and when our hearts change, our behavior changes. But change involves more than a biblical formula: You will see how God is at work to make you the person you were created to be. That powerful, loving, redemptive relationship is at the heart of all positive change you experience.

In July 2006 Dr. Bradley and his mission team were in Beirut doing Muslim evangelism when the Israel-Lebanon War began. His team was later evacuated to Cyprus by the U.S. Marines. He observed the bombing of Beirut up close, but more importantly saw the Lord do amazing things in the midst of war. Dr. Bradley has been married to Pam Bradley for 39 years. They have two sons: Matt and Adam, who works for the U.S. State Department in Washington, DC.

SUMMER READING

Cost: \$6

This Summer, we'd like to encourage you to join us as we read through one of the most influential Christian works and true missionary stories, *Through Gates of Splendor*.

Through Gates Of Splendor is the true story of five young missionaries who were savagely killed while trying to share the gospel with the Auca Indians of Ecuador. The story is told through the eyes of Elisabeth Elliot, the wife of one of the young men who was killed.

Pick up your copy today in the Resource Center. We will plan on reading through July and August and climaxing with a special Summer Movie Night at LBC watching the theatrical version, *End Of The Spear*.
