EQUIPPING HOUR SUMMER SERIES

Date: June 5 - August 28

Facilitator: Fred Sabins

What does it take for lasting change to take root in your life?

If you've ever tried, failed, and wondered why, you need to be a part of our special Equipping Hour Summer Series, *How People Change*. This series explains the biblical pattern for change in a clear, practical way that you can apply to the challenges of daily life. A changed heart is the bright promise of the gospel. When the Bible talks about the gift of a new heart, it doesn't mean a heart that is immediately perfected, but a heart that is capable of being changed. Jesus' work on the cross targets our hearts, our core desires and motivations, and when our hearts change, our behavior changes. But change involves more than a biblical formula: You will see how God is at work to make you the person you were created to be. That powerful, loving, redemptive relationship is at the heart of all positive change you experience.
