Bible Truth: God's Grace Extends Beyond Israel's Borders

Bible Story Discussion (*Ask your child these questions*):

Why can't we run away from God?

(God is all-powerful: he can use anything to stop us; he used the sea and a great fish to stop Jonah. God is all-knowing: He always knows where we are so we cannot hide; He knew exactly where Jonah was.)

How can we be tempted to hide from God?

(When we hide things from our parents—like something we do wrong—it is like hiding from God.)

What is your favorite part of this story? Why?

(Accept any answer.)
