This spring we will continue our study in the new discipleship resource entitled *Partners*. This study is designed to get you personally connected on a weekly basis with other mature, growing Christians in order to help you advance in your understanding and application of ten biblical themes that are critically important in the Christian life.

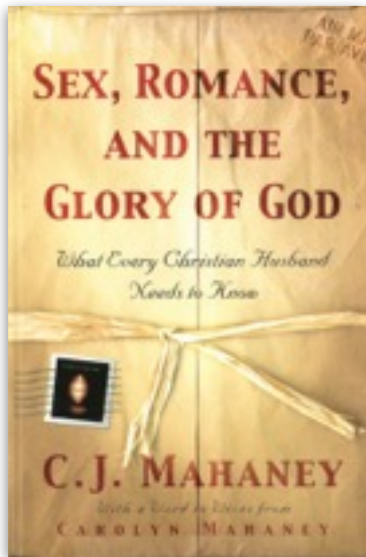

Each chapter in the *Partners* workbook will serve as the basis for your weekly small group meetings. The chapters will direct you to read sections of the Bible that relate to that week's topic and prompt you to answer specific questions about the implications/application of those verses.

Then, when meeting with your group, you will discuss the truths you have studied, seek to sharpen your understanding and grow in your devotion to Jesus Christ. Books are now available in the Resource Center for \$10. Please sign up on the back table if you plan to attend.

Resource Center

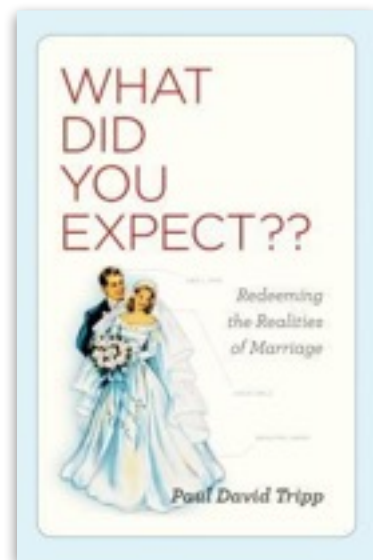

Don't forget to stop by our Resource Center to pick up a book, CD, or video that will help you grow in your understanding of God and His Word.

Featured Books Of The Month

"As practical as it is profound, *Sex, Romance, and the Glory of God* may well be the best book on marriage I've ever read. I was motivated to love my wife more and broadened in my understanding of how loving my wife brings glory to God. . . this book is truly a treasure."

Because marriage always involves two sinners living together in a fallen world, reconciliation must be part of *daily* life for you and your spouse. Tripp's six practical commitments - including facing failure, being willing to change, and embodying Christ's love - will show you how to grow a thriving grace-based marriage in all circumstances and seasons of your relationship.

New Equipping Hour Series Starting January 3

Teacher: Kris Stire

Location: Worship Center

Home builders know that in order to have a solid structure that lasts, it is essential to follow the blueprints. When workers begin following their own plans according to their own design, this eventually leads to chaos, conflict and instability. In the same way, if we as Christians follow God's blueprint for marriage, we can develop a marriage that not only lasts, but grows and flourishes. This seven-week series will examine the key elements of marriage so we can strengthen our marriages by following God's biblical blueprint.

Session 1	God's Blueprint For Marriage
Session 2	Husbands Who Are Like Christ
Session 3	Wives Who Are Like The Church
Session 4	Strengthening Your Relationship Through Effective Communication
Session 5	How To Resolve Conflicts
Session 6	Finances
Session 7	Biblical Principles Of Sex
