Featured Books Of The Month

In a world committed to self-seeking and the thirst for individual rights, it is hard to create a genuine community based on self-sacrifice and mutual commitment, but that is just what the church must do. In *Spiritual Disciplines Within The Church*, seminary professor, author, and former pastor Don Whitney shows how the local church can build a sense of community and turn church people from passive attendees into active participants. Whitney looks at such frequently asked questions as: Why can’t I get by on my own? Why Should I go to church? Why should I give of myself to the church? Why do I need to worship in church, couldn’t I just worship in nature? Why does it matter whether I become a member of the church?

Christians belong in churches—the only places where we can thrive and grow spiritually. In *Why Church Matters*, Joshua Harris makes this case with wisdom, clarity, and graciousness. We were never meant to live our faith in isolation. The church is the place God uses to grow us, encourage us, and use our gifts for His glory. In this honest, personal, and practical book, Joshua Harris shows you why it’s time to say yes to church and how to find the right one for you--the place where you can fall in love with the family of God. Includes: What you miss when you miss church; Ten questions to ask before you join; How to get more out of the best day of the week.

220 Youth will be gathering for a final summer activity and we are going out with a bang! On Wednesday, August 17th from 6–10pm, we will be throwing a pizza party, playing a gym volleyball tournament, watching Mock Rock camp videos, eating ice cream with thousands of toppings, and getting cozy for a popcorn and movie night! Please bring $5 for the pizza party, athletic clothes for games, and some large pillows and modest pajamas for the movie night. Let’s enjoy each other’s company once more before school starts.

Grow Group Sign Up Begins

Date: September 6

Our Grow Group ministry is designed to effectively shepherd and disciple everyone who considers LBC their home. It is our desire to create a context where four things can happen:

**CONNECT**: Help people build close, edifying relationships.

**COUNSEL**: Help people understand and apply God’s Word to their lives.

**CHANGE**: Help people along the path of spiritual maturity.

**CARE**: Help people to practice the “one anothers” of Scripture.

There is no better way to grow in your relationship with Jesus Christ than by being in a dynamic discipleship environment provided by a Grow Group.

September 7

Word Of Life is our Wednesday night Children’s Program for Pre-K through 6th Grade that runs during the school year. The goal is to evangelize and disciple children by focusing on three primary areas in a child’s life -- Quiet Time, Scripture Memory, and Christian Service. We encourage every parent to have their children involved in WOL this coming Fall.

If you would like to help minister to the children as part of the WOL Team, please contact Ken Parkin at (281) 743-3302.
