"God never puts you in the wrong place to serve him."

Our **Food Panty** is getting low & we could use your help. Just this past week, we have helped several families with food. As the holidays approach, the demand is even greater. If you can help us re-stock the pantry, please bring non-perishable items to the kitchen.

Mission trip to Temuco, Chile - October 7th through the 14th.

Revival: October 27th through the 30th.

Plans are underway for our annual **Trunks of Treats**. Sign-ups for decorated cars & help with the festivities have been slow. Your help is needed! Please see Shelly or Yancey to volunteer your time & talent. A box is located in the foyer for your donations of Halloween candy. We have a great turn-out for this event, with opportunities to reach out to our neighboring community. Bring a lot!!
