**From Your Pastor**

Do not be anxious about anything, but in everything by PRAYER and supplication with THANKSGIVING let your request be made known to God. And the peace of God, which surpasses all understanding, will guard your hearts and your minds in Christ Jesus. **Philippians 4:6-7**

Last November we came together as a church to pray for Verity and her battle against cancer. Tomorrow (16<sup>th</sup>) we will celebrate with her and her family as they have traveled this long hard road this past year. We will praise God for hearing and answering our prayers in so many amazing ways. To God be all the glory for His healing and sustaining hand upon the Morrow's this past year. We have been talking a lot about Philippians 4:6-7 these past few weeks. We can replace our anxiety, worry, and fretting with prayer. We cast our cares upon the Lord and He provides us with an unexplainable peace in place of our worries.

I just want to point out the Thanksgiving that is mentioned in Philippians 4:6. It is often hard to be thankful when we face difficulties in life but God is good and we should be thankful. We should take time to offer thanks to God. I'm glad we have a holiday called Thanksgiving that reminds us to be thankful. No, we shouldn't need a reminder but I'm glad we have one.

We have been talking about the armor of God on Sunday mornings. We have been talking about the schemes of the enemy in our men's groups. I feel like the enemy has been fighting extra hard with me lately. I've been trying to apply what I am studying in Ephesians 6. I'm standing in the strength of the Lord and I'm trying to make sure I am wearing the armor of God. I was very convicted about wearing gospel shoes this past Sunday. The Holy Spirit really convicted me about not getting out and sharing the gospel more. I'm asking Him to give me opportunities to share, eyes to see, boldness to speak, and some fertile soul to labor. Pray for me that I might be a better example in the area of evangelism, having gospel conversations, and being a fisher of men.

As we make plans to gather with family for the holidays, I hope you will prayerfully consider who you need to have a gospel conversation with. Yes, we must pray and we must look for those opportunities. So, put on those gospel shoes. Be prepared to share the gospel that brings peace (peace between a Holy God and a sinful man). I hope that we are not only convicted about our evangelism but we put that conviction into action (that's called faith). We have the good news of salvation. Let's be especially thankful and let's be faithful in sharing this good news. Let's go make disciples (and never forget, the Lord will never leave us or forsake us in our labors). Lots of love in Christ, **Bro. Harold**
