**From Your Pastor**

Do not be anxious about anything, but in everything by PRAYER and supplication with THANKSGIVING let your request be made known to God. And the peace of God, which surpasses all understanding, will guard your hearts and your minds in Christ Jesus. **Philippians 4:6-7**

Doesn't it seem like God is calling His church to **prayer**? I got a text message on Tuesday night saying that "my family and friends are beginning a prayer chain to pray without ceasing for our country and the outcome of this election. Please join us and ask others to join you as well." Regardless of who you were for in the election, I think most agree that NOW is the time to pray for our land. It is time to beseech the Lord to send a spiritual awakening to America. It is time for the Lord's Church to awaken out of her slumber. We cannot sit by in silence while life is devalued, marriage and gender is redefined, and religious freedoms slip away. While we must stand for life and biblical marriage, we must also make the Gospel our top priority. People (including much of America) need the Lord! Let us pray for the harvest!

The Church needs to lead the way in prayer, love, unity, purity, and morality. We need to let our light shine for the sake of Christ. We need to get involved in our communities. We should be diligent in sharing the Gospel. We should play a role in battling the drug epidemic that is attacking our land. We need to invest in strengthening and ministering to families and marriages. We need to be willing to provide role models, mentoring, and love to children who are being raised in broken families.

We recently met to pray/discuss future ministries at LBC. We will be looking into an after-school program for our elementary school children. If God leads us in this direction we will need folks to mentor, feed, love, teach, and play with children. Thankfully, we have the facilities and God will provide the resources if this is what He desires us to do. Will you pray for us as we explore this ministry and God's will for us?

It was a blessing to see so much pink this past Sunday as we showed our love and support for Verity as she battles cancer. Verity has had a tough week with fevers and nausea. Let us continue to pray for Verity. We have so many prayer needs even in our own church family. I would also ask for your prayers as I will be serving on the GC School board the next few years. I am humbled by the support I have been shown and I ask for your prayers as I have much to learn. Sometimes we can look around and feel a little overwhelmed but the key is to look up and know that God is BIG, all-knowing, and all powerful. He has everything in control. So, we can just pray and trust! **Bro. Harold**
