

Mission Statement

Lathrop Christian Center exists to be a gracious community where all can come to know Christ, grow to live like Christ and learn to love like Christ.

Lathrop Christian Center's Core Values

Biblically Based

We believe practical, Biblical teaching is the catalyst for transformation in the lives of people. The Scriptures are inspired by God and our authority regarding Christian beliefs and the guide for Christian living.

Atmosphere of Acceptance

We believe all people matter to God and ought to matter to the church. We want everyone to experience God's grace and love.

Life Groups

We believe that Christian growth, encouraging relationships and pastoral care happens best in small groups. We consider it imperative that every Christian participate in a small group Bible study.

Discipleship

We believe that whole devotion to God and His purposes should be typical of every believer.

Transforming Worship

We look for God's love in our lives as the evidence that we have been truly worshipping Him. We enjoy an environment of freedom in our worship services and believe that this communion with God brings vitality to our relationship with Him as well as an opportunity for inward change.

Children & Youth Ministry

We believe ministries to children and teenagers should be given high priority. We are committed to making Lathrop Christian Center a center for reaching, encouraging and developing the youth of our area.

Releasing Believers for Ministry and Evangelism

We believe everyday people using their gifts, talents and testimonies are God's plan for reaching and changing the world!
