BIBLE CHURCH

MOPS 2012-2013

In 2012-2013, MOPS invites you to join in the learning process together as we explore our new theme – Plunge: Love as if your life depended on it. This year's theme encourages moms to show authentic love to the world around them and, ultimately, in their relationship with God.

MOPS AM

Third Thursday of each month, September through May, 9:00 am – 11:00 am, Activities Center

Each morning includes breakfast, teaching time, discussion time, and a creative activity. While mothers enjoy their morning, the children are involved in their own MOPPETS classes. MOPPETS provides quality infant and toddler care. The children are divided up into age groups allowing each child to interact with others who have similar skills and interests. Every MOPPETS morning is filled with stories from the Bible, games, songs, crafts, playtime, and a healthy snack.

We are looking for people who love kids to volunteer as MOPPETS workers the third Thursday of each month for three hours (8:30-11:30 a.m.). If you can donate your time, or know someone who can, please call Margie Emig at 808-7633 or email her at emigfamily@sbcglobal.net.

MOPS PM

Third Thursday of each month, September through May, 6:30 pm – 8:30 pm, Activities Center

We're so excited to offer MOPS pm - the only one in Kern County! Our evening program offers the same fun and fulfilling program to moms who work or who otherwise just can't attend in the morning. Each evening includes dinner, a craft, discussion time with other moms, and an awesome speaker. Limited childcare is available for those who need it.

Whether you come in the morning or evening, it is our sincere hope that you will join us! Come learn... come be inspired and encouraged... come see you're not alone. There is a team of women already working hard to make this an amazing year for you – women who have a passion for mothers of little ones and who just want to serve you. We've been praying for you, and we truly can't wait to welcome you to our group.
