ABOUT MANCHESTER IGNITE

Manchester Ignite is an intensive four day initiative joining the forces of individuals, churches, non-profits, and businesses to make a positive impact in Manchester. Participants in Manchester Ignite volunteer to better our community in practical ways that make a lasting difference.

Past activities have included:

- Partnering with Easter Seals & NH Parks and Recreation on work projects throughout Manchester
- Assisting the elderly with home repairs through Seniors Count
- Hosting neighborhood block parties, basketball tournaments, and movie nights in Manchester neighborhoods
- Serving the homeless with New Horizons Food Pantry
- Assisting Roca Kidz Club in offering children a meal, fun, positive messages and mentoring
- Working side-by-side with new Americans at Common Earth Farms, empowering refugees as they farm

This year, we hope to do even more! The more funds raised, the more impact we can make!
