

Life Trails

Life Trails are courses designed to help people grow in their relationship with Jesus Christ. Trails vary in length but most are between 4-12 weeks long. They are led by an experienced trail guide and follow a comprehensive map of the terrain. To get the most benefit, group participation is encouraged in sharing your experiences and completing assigned readings and exercises.

To learn more about current and upcoming life trails email or to suggest a new one, contact our trails coordinator at trails@lifecovenantchurch.org.
