

...But whoever would be great among you must be your servant, and whoever would be first among you must be your slave, even as the Son of Man came not to be served but to serve, and to give his life as a ransom for many.” **Matthew 20: 26-28**

Something wonderful happens to us when we extend ourselves to a person in need that goes beyond the actual giving. The giver is transformed and awakened to the fullness that God has for them every time they step out and sacrificially give. It's amazing that we have a God that isn't just interested in the logistics of solving problems but he uses each experience to teach, train, equip, love, heal and encourage both the giver and receiver during the journey! I love that!

Perhaps you're reading this because you have a passion for the unborn or you have been in a similar situation and have experienced single parenting. Maybe you wished someone had been there for you when you faced an overwhelming crisis. This is your time to shine! Life House NEEDS you and we can't operate without your help.

Life House Ministries will soon be launching an extensive life skills program designed to help women navigate a system of community resources and simultaneously pinpoint root issues that create barriers to their own success through teaching basic life skills. We believe that God has equipped the "church" to come alongside and be the social work in our community as well as minister to their hearts!

We will be hosting a volunteer info night in October- the date is still being determined but we'll have it on our website as soon as it's confirmed! In the meantime, here is a list of some of the volunteer opportunities!

- **Mentor-** A woman that will befriend a client and bring encouragement, inspire, love and be a role model to her through this season in her life.
- **Advocate-** A woman that will work one-on-one to oversee a client's Family Action Plan (goals), bringing weekly accountability as she takes those steps.
- **Financial Literacy Advocate-** Teaching basic financial principles such as budgeting, debt, credit, contracts, and leases. Create and help client implement a financial action plan.
- **Life Skills-** teaching nutritional grocery shopping, menu and meal preparation. Home organization and cleaning.
- **Navigator-** will meet with clients about housing options, look at lease agreements, and find needed furniture and help client make a smooth transition into their own space.
- **Employment-** help client with job skills, resumes', application assistance and interview techniques.
- **Doula-** Labor and Delivery classes and assisting a client through the labor and delivery and some post partum care.
- **Love & Logic-** certified instructor to teach a Love & Logic class to a group.

Please contact us if you're interested in learning more about these opportunities!

Many Blessings,
