Summer is here and Life House Ministries is revved up and full speed ahead! While many ministries take the summer off, LHM will continue support group meetings every week throughout the summer. It'll be a fun time to get to know these women over BBQ's, beach parties, sharing stories over a fire pit, games and so much more! It's been proven that single parents and their kids do better overall financially, emotionally and spiritually when they have a healthy support system in place. Life House Ministries desires to fill the gap and catch these women before they are faced with dire situations such as homelessness, job loss or feeling hopeless and overwhelmed as a solo parent.

We recently met with the Director of *Youth for Christ* who leads the teen mom group in North Snohomish County. She currently has over 50 teen moms attending her groups and says that many of them will need continued support and services once they age out of their teen parent program. Another local organization from Everett is opening a teen parent house in Arlington this summer, so we know there is a great need for more housing options and support services for these young moms once they reach 18.

Life House Ministries is launching our first housing program for 18+ single moms this summer! As we continue our search to purchase a transitional home, we will be accepting applications for our **Independent Living Program**. This is a one-year accountability program that provides a safe place for a single mom to live while we walk her through an array of classes and support services such as: financial literacy, budgeting, cooking, boundaries, support group and more, all to bring her to a place of stability and self-sufficiency.

Our first participant in this program is Allison, a 21yr old mom and her son Ezra (3). She has already benefited from the support groups and has grown in her walk with the Lord. Alison was just baptized on June 2nd and is excited to embrace this next phase of her life!

Thank you for taking this journey with us. It's not going to be easy but we have a big and mighty God who is passionate about the brokenhearted and for LIFE!
