

LIFE HOUSE MINISTRIES

March 2014

The Next Step...

1. **Pray!** Please pray for hearts to be stirred in those that can help financially or volunteer their time and gifts. Pray for protection over the ministry and leaders as a whole.
2. **Volunteer!** Join our fundraising team that started meeting on a regular basis or volunteer on the day of the fundraiser. There are also multiple volunteer opportunities on our website that you can do once or weekly such as; help in childcare, be a mentor, provide a meal for support group, and office work.
3. **Home Info Party!**- As we prepare for our fundraiser we would like to have people host a dinner or dessert at their home and invite their friends to learn more about Life House. This is a great way to expose LHM yet not feel obligated. We will not be asking for money or commitments at any of our home parties. We just want people to hear about us! That's it!
4. **Financial Support!**- We've made it so easy to access and sign up for online giving on our website. You can also support us through **United Way** by letting them know that you want to add Life House Ministries to the list of organizations! Our Tax ID # is 61-1427634 (minimum \$100 a year).

Our First Year!

As we approach the first birthday of Life House Ministries on April 1st, I can't help but look at this past year as a new mom looking at her newborn baby, beaming with joy at each new growth spurt! This has been a precious, vulnerable and exciting ministry season! We've seen the launch of the ministry, logo, mission statement, staff, volunteers and foundational pieces that pulled it together to make it unique and viable. We've seen growth as we expanded into the community through outreach BBQ's, in our weekly support groups for women and children, through networking with local organizations, churches and state agencies for support and referrals.

The fact is Life House Ministries is *still* a vulnerable baby that is at a critical point of growth. As we dive into the ministry of helping women in life's tough situations, we can't do it without **simultaneously** having the ability to financially sustain these much-needed programs.

Life House has chosen not to receive state or federal funding since it would limit our ability to speak freely to women about Christ. Currently, we're pursuing multiple grants that would fit some of our programs *and* we're preparing for our first fundraiser that will be held on May 3rd 2014! We're excited about our theme for this year's fundraiser, "**Restoring Hope**", since it reveals our heart and vision for families in our community. We know that it is Christ that restores lives and gives hope to the hopeless. We want women to see that there is a God in the midst of their situation and that He loves them and will rescue them!

Thank you for walking this journey with us, we are humbled and thankful for our friends, family and our community! Check out our website for details on giving, volunteering and info parties! ☺
