Please read and sign below:

A new or transferring student will have a probationary period equal to 30 school days. During these 30 days, the student's progress will be evaluated. Upon this evaluation, acceptance may be cancelled and enrollment withdrawn for any reason by either the school or by the student's parent(s). Should this be necessary, tuition charges will be pro-rated to the actual number of days of the enrollment. The school or parent(s) shall give 10 days' notice of the intention of disenrollment of the student prior to the end of the probation period. After the probation period has elapsed and no such notice has been given, responsibility for payment of tuition will be determined by current school policy.

We hereby agree to make all payments due pursuant to the provision of the tuition schedule attached, including but not limited to all registration fees, tuition, and all other fees set forth herein above. We agree to contact the administrator should financial difficulties arise.

In the event that tuitions are not paid within 30 days of the date due, a \$25 penalty shall accrue each month until the outstanding sum is paid. In the event an account is placed into the hands of an attorney for the purpose of collection, we will agree to be responsible for all reasonable attorney fees, which shall not be less than 20% of the outstanding amount due or \$500 whichever is greater.

Furthermore, we acknowledge that the school reserves the right to terminate the educational agreement in the event of nonpayment which shall be a non-exclusive remedy.

Further, all records relating to our child shall not be turned over or released from Lighthouse Christian Academy to any future schools of attendance, until full payment is provided.

Parent Commitment

Lighthouse Christian Academy believes in the Scriptures of the Old and New Testaments as verbally inspired by God and inerrant in the original writings, and that they are the supreme and final authority in faith and life. Lighthouse Christian Academy is in partnership with family and church in training up children to have a growing relationship with Jesus Christ.

In making this application, I/we understand that Lighthouse Christian Academy is endeavoring to train my/our child/children from a Biblical perspective, and I/we are in agreement with the spiritual goals and objectives of the school.

Parent Code

Our parents play a vital role in the total program of Lighthouse Christian Academy. Without parent cooperation, our goals cannot be reached. It is expected that parents will graciously cooperate with the standards and regulations of the school. We believe that the following Parent Code, subscribed to by all of our parents, will make LCA a school that will truly honor the Lord:

1. I will pray regularly for the teachers and administration.
2. I will cooperate fully with Lighthouse Christian Academy to make Christian education effective in the life of my child/children as they grow to love and serve the Lord.
3. I will pay my financial obligations to the school. If I am ever unable to pay on time, I will notify the school to make the appropriate arrangements.
4. I will support the school by financial gifts as the Lord enables.
5. I will assume volunteer duties and responsibilities as opportunities arise. I will attend periodic meetings and parents' functions of the school.
6. If I become dissatisfied with LCA in any respect, I will try to resolve the matter with the person or persons involved rather than seek to spread criticism or hold a negative attitude in my heart. I will not criticize the school before my children. I will follow the Biblical instruction found in Matthew 18:15, "*If your brother sins against you go and show him his fault, just between the two of you. If he listens to you, you have won your brother over.*"
7. I understand that foul language and threats toward staff members will not be tolerated.
8. Any dissatisfaction must be taken through the appropriate channels and ultimately to LCA's Board of Education.

As a parent, I recognize it is my privilege and responsibility to strive diligently to observe the Parent Code as God enables me by the power of His Holy Spirit.

We promise to faithfully support the discipline and academic standards of Lighthouse Christian Academy. The administration has full responsibility for placing our child/children in the appropriate grade. I/we will support the faculty in its schooling and discipline of Biblical principles. I/we realize that attendance at LCA is a privilege and not a right. That right may be forfeited by any student or family who does not conform to the standards and regulations of the school. To the best of my/our knowledge, all of the information and statements on this form are truthful and complete as submitted.
