

Middle School Update  
Mrs. Walters' Class  
LCA and NSA  
October 22-26

Our class is keeping up the pace of our NSA classes.  
Goals are set. Those that reach their goal have dress down day on  
Friday.

LCA Course Work:

Bible

**Verse:** 1 Peter 1:15-16

But just as he who called you is holy, so be holy in all you do; for it is written: "Be holy, because I am holy."

**Bible Study:** Students were introduced to our first unit test this week. It would be wise to study as we progress through the unit. As we study Exodus, we will learn about the 10 commandments, structure of the tabernacle, plagues, and passover in Lesson 7. Studying this now will help us on our Unit 2 test covering chapters 7-10.

Science

Our goal: To simulate an expedition to an ocean area to collect data on a particular species of marine life and present our findings in a pamphlet. We will move onto Lesson 8 and 9 of our research studies. Through simulation, we will gather data on weight, length, width, and height, evaluate our data, and problem solve as part of these lessons.

Dates to Remember:

Operation Christmas Child is underway. A shoebox filled with small toys, books, crafts, or hygiene products can be sent to a child in need.

**October 24** -School Picture Day-wear chapel uniforms

**October 26**-Early Dismissal 1pm

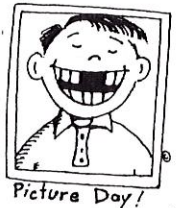

**November 1-2** Early Dismissal 1pm for Parent/Teacher conferences
