DEAR LITTLE CHAPEL ON THE BOARDWALK FAMILY,

I want to take a moment and express my sincere appreciation to everyone who worked so hard to make the Advent and Christmas season such a wonderful and inspirational experience at Little Chapel. Even though it was two weeks ago (has it only been two weeks) I am still running into people who tell me how much they appreciated the wonderful Choir Christmas Cantata. A very special word of thanks to David Heinzman and to the choir and the bell ringers for not only a magnificent Cantata, but for all the music they provided for us all during the Advent and Christmas season. Also, I want to thank all those families who participated in worship by lighting the Advent Wreath at the 10:30 service and on Christmas Eve. A word of thanks to Janet O'Neil and Karen Scheboth and the children for their wonderful Christmas pageant and to all the great cooks in our church who provided us with a delightful meal following the pageant. A big thank you to the Christian Education committee for putting together our Advent Festival which helped us to start the season on a high note. To the ushers for their ushering, to the greeters for their greeting – to everyone who helped make this a meaningful season...THANK YOU! Many of you helped with the decorations under the watchful eye of Janice Allen, and you are needed again on January 6 as we take everything down. I want to thank Janice Blanton and the worship committee for giving me the go-ahead to try a third service on Christmas Eve. The 11:00PM service has for many years been a special worship experience for me. And where would we be without this wonderful staff. I know we put Dan Holt to the test this year, and he not only kept up with all of us, but did so with a smile on his face. And Martha Parker in the office... this was her first Christmas season with us. We were talking at staff meeting the other day and at one time over the course of a few days had given her 8 bulletins to work on. Martha was great, taking everything in stride and saying "yes" to every request made of her. David Heinzman has already taken our music program to a higher level and that was surely evident throughout the season. And Karen Scheboth, in her first Advent Season as our Director of Christian Education kept many of our programs running smoothly and efficiently, always lending her smile and her expertise to keep things going. I hope you as a member of Little Chapel are as grateful for your staff as I am. They are all fantastic people to work with.

I wish for each of you a healthy 2014 and once again
please know how fortunate I feel to be your pastor.

Blessings, Pastor Pat

MUSIC NEWS for JANUARY 2014

To kick-off 2014, I've decided to "muse" instead of "news." But first and most importantly, allow me to offer a huge THANK YOU to all of you ringers, singers, lectors, staffers, congregants and music lovers who have participated in and supported the Music Ministry since my arrival last October. Our greatest joys in life come from connecting and sharing with one another - I sincerely thank God for this place called the Little Chapel.

With the Holidays over, rest assured that I am busy cooking up some really cool musical events for the coming year. Under consideration: a **Concert Series** (Bach at the Beach) during the tourist season as part of outreach; an **Easter Cantata**; a handbell choir for retirees (we'll call them the '**Silver Bells**'). How about a fun **Dance Night** where we could all "shag"? Perhaps a **Cabaret Night** to bring out the ham in us all - just a few ideas.

And, as always, my ears, heart, mind and door are ever open to hear your suggestions and desires. God bless you indeed in 2014 and may He increase our territory to further the work of Jesus at the Little Chapel.

David

2013 CHILDREN'S CHRISTMAS PAGEANT

PONDERINGS FROM...

There is a story of a father who ordered a kit for a tree house as a Christmas gift for his son. Late Christmas Eve, as he tried to put the pieces together, he discovered to his dismay that he had received a kit for a sailboat. His letter of complaint to the company brought this reply in January:

'While we regret the inconvenience this mistake must have caused you, it is nothing compared to that of the person out on a lake somewhere trying to sail your tree house.'

During December or throughout 2013, were there a few inconveniences you had to face? Do you remember how you responded?

The Bible is full of stories about folks like you and me that were *inconvenienced*. It certainly does not hide how humankind typically responds! For example, here is a **DID YOU KNOW?**

"Did you know that according to Old Testament scholars, the book of Psalms contains different kinds of psalms (hymns): psalms of thanksgiving, psalms of wisdom, psalms about enthronement concerning the king, and so on. **But the most common category is the psalm of lament.** Lament means complaint. **The most frequent psalms are those of complaint to God!**" (Ortberg, 2003).

Yes, we typically respond to inconvenience with a complaint. Thankfully God offers us refuge. He understands the storms we go through firsthand! In Jesus Christ we have hope!

You might be thinking...Well, sometimes it is tough to focus on Christ-especially when I am being distracted by all that is around me and inconvenienced by this or that! To help us out, God asks us to **take a conscious action to feed our minds** with the right stuff. Philippians 4:8-9 tells us what the right stuff is: *whatever is true, noble, right, pure, lovely, admirable, excellent, and praiseworthy.*

SO, I CHALLENGE YOU NOW...take a step forward in your relationship with Christ! Starting now—2014! Resolve to focus on Him! **Feed your mind by joining a Sunday School class! Little Chapel has classes for everyone! 9:15AM every Sunday morning!** Happy New Year!

Yours in Christ,
Karen Scheboth

THURSDAY MORNING BIBLE STUDY

The Thursday Morning Bible Study will begin again on Thursday, January 16, 2014 and the study for this series will be Beth Moore's study of the book of Daniel. In this course we will discuss the unbelievable pressure that Daniel faced to compromise his faith in a hostile culture. While in captivity in Babylon, he was constantly confronted by temptations and threats. Sound familiar? Today's believers frequently face similar trials. We have much to learn about how God led Daniel through many times of hardships. This book of Daniel shows God in control, absolutely sovereign, never shaken, and nothing can detour His plan for the ages.

A signup sheet will be placed in the narthex and we are in hopes that all interested ladies will join us for this intriguing study. Sessions begin at 9:00 in Room 201 upstairs, with discussion in smaller groups for an hour and then we convene together for Beth's video for the second hour. Jean Schild and Jannet Kramer will be leading the study. Please join us!

New Member Luncheon SUNDAY

JANUARY 26, 2014

Immediately following worship
in the fellowship hall.

The whole congregation is invited to join the celebration honoring the new members who joined Little Chapel over the past year.

2014 Scholarships

Scholarship Applications may be picked up from the hallway book shelf, across from the church office. Also, memorials and contributions to the Scholarship Fund are accepted all year. Make checks to LCOB and mark Scholarship Fund.

FLOWERS FOR SUNDAY WORSHIP

In the narthex is a signup sheet for fresh flowers for our sanctuary for Sunday mornings.

Next to this is a small stack of forms to fill out for Martha. Just fill out this form, include your check and put this in Martha's box across from the office. These flowers can be given in memory of someone or in honor of whoever you may choose.

Your flowers actually serve two purposes. They are enjoyed by everyone during worship, then the flowers are used to make up smaller arrangements that are taken to our members in care, in the hospital, or ill at home. These people so enjoy receiving flowers that they know were in our sanctuary during worship. This is just another way we can make people who cannot get to church feel that they are still a part of our church family.

The cost of one vase is \$50. and the cost of two vases is \$100. If you donate one vase, it will be placed on the communion table. If you donate two vases, they will be placed on the flower stands at the front of the sanctuary. Please note, Communion Sundays (the first Sunday of each month) require two vases. Please consider being a part of this ministry.

Singles Meet'n Eat

PRESBYTERIAN WOMEN NEWS

Reflecting on the past six months of my journey as moderator of Presbyterian Women at Little Chapel I can truly tell you it has been a joyful trip.

My year has been filled with meeting and working with strong and amazing Christian women who give their time and energy to God's work.

Love and Service is the norm among all the women of Little Chapel.

Each of you participates in so many ways. The preparing and serving of meals for those who need food, for church gatherings, for the children, for the monthly circle meetings, for the church breakfast and for the many receptions and funerals.

What better way to share the Love of church people than through sharing food together.

The year has been filled with those faithful ones who attend church services, choir members and bell ringers, for the leaders, for the creative ones who decorate the church and fellowship hall for every occasion, those who knit the Prayer Shawls, those who come to Pray for special needs and those caring for those who have personal loss. What a blessing you are.

The year has been filled with Mission Projects and Outreach Projects that supports the Children, the Youth, Caring for the lonely and the sick, those who prepare for our Worship services, those who work hard to support projects within the community, the hospital and home visits, the Mathew House, the summer beach worship service, the 2nd Loaf, the Migrant workers project and on and on.

My reflecting on these last six months is one of amazement at the accomplishments we have made together but most of all the joy it brings when we give of ourselves. May we continue giving and sharing in God's work together as we move into 2014.

**Wishing you a New Year filled with
Peace and Happiness.**

Hopefully by now you realize that we have nine Stephen Ministers at Little Chapel who have gone through 50 hours plus of training and are waiting for you to say "yes" to wanting a Stephen Minister. In case you have forgotten what Stephen Ministry is about here is a refresher course:

WHAT EXACTLY IS STEPHEN MINISTRY?

Stephen Ministry is a ministry in our congregation in which trained and supervised lay persons, called Stephen Ministers, provide one-to-one Christian care to individuals facing life challenges or difficulties.

WHAT DO STEPHEN MINISTERS DO?

Stephen Ministers are caring Christian friends who listen, understand, accept, and pray for and with care receivers who are working through a crisis or a tough time. Stephen Ministers are not counselors; they are trained lay care-givers. Their role is to listen and care - not to give advice or counsel.

CAN I TRUST A STEPHEN MINISTER?

Trust is essential to a caring relationship and Stephen Ministers are people you can trust. Confidentiality is one of the most important principles of Stephen Ministry, and what a care-receiver tells his or her Stephen Minister is kept in strictest confidence.

WHY THE NAME "STEPHEN"?

Stephen was the first lay person commissioned by the apostles to provide a caring ministry to those in need as recorded in Acts 6.

If you think you might be interested
in a Stephen Minister
please contact Pat Rabun.

MISSION OPPORTUNITIES

HOSPICE MEALS OF LOVE – NEW LOCAL MISSION OPPORTUNITY

Meals of Love program is designed to benefit family members and visitors to the Wilmington Hospice Care Center. Many times these families are exhausted physically and mentally and preparing a meal is the last thing on their mind. So volunteers help support them by providing a meal in our family kitchen at the Care Center. The Little Chapel Mission Committee has decided to take care of these meals four times a year. Our first date to prepare a dinner meal is February 13, 2014. There will be signup sheets in the narthex in January. We look forward to you helping us with this wonderful mission opportunity.

EXCITEMENT IS BUILDING!

Cape Fear Habitat for Humanity has announced that the **2014 Ecumenical Build** will start this April, with the exact dates to be released soon. Along with several other churches in New Hanover county, we will be helping with the construction of a home for a deserving hard-working family. In addition, we will provide lunches for everyone at the worksite on one or more dates. Sign up sheets will be in the narthex in March... please consider participating in this "mission trip" that does not require that you pack a suitcase!

♥ATTENTION BIG HEARTS♥

When 14 LCOB missionaries volunteered at The Crossnore School in October, we fell in love. We swooned over the beauty of the location. Our hearts were enriched by this precious haven for children... founded on Christian principles and nourished over 100 years by the true spirit of love for "the least of these". And we absolutely fell *head over heels* in love with THE CHILDREN. Plans are underway to share our Matthew Mission House with some of the Crossnore kids in the summer of 2014. We hope that each of you can experience the specialness!

In the meantime, we are announcing another opportunity for us to show The Crossnore School how much we truly care.

In JANUARY, we will collect gift cards for the kids for Valentine's Day. Please consider giving one or several \$10 gift cards from Wal-Mart, Belk, Kmart, Old Navy, JC Penney, Bath & Body Works or phone cards. No time to shop, we'll do it for you: Make your check out to The Little Chapel on the Boardwalks and indicate "Crossnore/Valentines". Please contact Sharon Minor for additional information at minormiracle@hotmail.com or 686-0794.

Thanks!

SOUPER BOWL OF CARING

MORE THAN 20 YEARS AGO, the Souper Bowl of Caring began with a simple prayer from a single youth group:

"Lord, even as we enjoy the Super Bowl football game, help us be mindful of those without a bowl of soup to eat."

Since that day, more than \$98 million has been raised for local charities across the country through Souper Bowl of Caring. It has become a powerful movement that is transforming the time around Super Bowl weekend into the nation's largest celebration of giving and serving.

Through this mission, young people learn what it's like to make a positive difference in the world – as they collect food, raise money and volunteer to work in charities that provide shelter to the homeless, food to the hungry and compassion to those in need.

Be part of this movement that is sharing God's love with those in need. Please give generously on Super Bowl Sunday. Every dollar donated goes to

CENTERPOINT

We say, "Experience is the best teacher." But it is more accurate to say that experience combined with reflection and awareness is a more thorough teacher.

Life experiences teach us many lessons. Sometimes those lessons may be the wrong lessons. A child who encounters no consequences after clearly breaking a family rule learns some wrong lessons. A child who repeatedly witnesses one parent deceiving another learns wrong lessons. Unfortunately we all learn wrong lessons that lead to difficulties and hardships. The wrong lessons become patterns that we unknowingly follow.

Counseling provides opportunity for self-reflection and awareness. We identify the wrong lessons we have learned and the distortions they cause in our lives. A fuller life opens up to us.
