PSALM 130:7, NRSV

## DEAR LITTLE CHAPEL ON THE BOARDWALK FAMILY,

I enjoy reading the church newsletters that many of you provide me with as you come back from vacation. Many times I find myself reading them from cover to cover. You can learn a lot about a particular congregation just from their newsletters. The article below was from a church in Tampa, Florida, and it has to do with the difference between a “live” church and a “dead” church. After reading the comparisons, I truly believe that Little Chapel is an “alive” church. I hope you will agree.

### LIVE CHURCHES – DEAD CHURCHES

There are two kinds of churches in the world today – live churches and dead churches. There is a lot written about the differences in the two.

\*Live churches are planning for the future – dead churches are reliving the past, always talking about the “good ole” days.

\*Live churches present an unchanging Christ in forms of ministry that are changing – dead churches do things the way they have always been done.

\*Live churches are filled with tithers – dead churches are filled with tippers.

\*Live churches are friendly and receptive to newcomers – dead churches wonder why they have no visitors.

\*Live churches focus on what’s right with the church – dead churches look for what’s wrong with the church.

\*Live churches design worship in which the worshippers are participants – dead churches have worshippers who are spectators.

\*Live churches have worship that celebrates – dead churches have worship that is endured.

\*Live churches focus on power – dead churches focus on problems.

\*Live churches dare God’s dreams – dead churches relive nightmares.

\*Live churches support mission heavily – dead churches keep all their money at home.

Using the gifts God has given to us, let’s make Little Chapel a congregation that is alive with the power of Christ.

**See you in the “alive place”,  
Pastor Pat**

# A Note from the Music Department

## TALENT NIGHT A HUGE SUCCESS

Thank you to all who performed at the Talent Night on May 20. We all enjoyed Bob Skane and his daughter Emily who sang for us as well as Witt Reynolds on the "hula-hoop".

Guests at the Matthew House, Jon Farone and his "bevy of beauties," joined in the fun with a song and media presentation followed by Lydia Wadsworth singing "I Am". Even Zoe Laakmann was present via Facebook to dance with her young dance partner. Mom and son duo Kathy and Alan Coble "jazzed it up"

with a flute and trombone duet which they had learned for the occasion. And, who knew that Jane Davis was funny? Jane did a stand-up on "Fleas" that was very amusing. Last, but not least were Arwyn Smith and David Heinzman performing the *Cat Duet* by Rossini.

Special thanks to Tim Karp for running sound and to Marcia Rabun for organizing the Wednesday Night on the Boardwalk Talent Night.

## HANDBELL CHOIR

Little Chapel Ringers will be playing on Father's Day at the 10:30AM service and will then be on break until September. Thank you to all the handbell ringers for a wonderful year of ringing!

## SUMMER CHOIR BEGINS

**Singers** - now is your chance to try out your voice and participate in the fun and fellowship of choral singing. For the months of June and July **YOU** are invited to simply show up on any given Sunday morning at 9:45AM in the choir room to be a part of an informal **SUMMER CHOIR**. We will give you a robe, music and will then rehearse an easy song, anthem, hymn or psalm to sing that morning at the 10:30AM Worship Service. Come share the joy!

## CHILDREN'S MINISTRY

We are very excited about our upcoming new preschool program. Our preschool will be starting on August 24<sup>th</sup>. We will be serving children who are four years old and we will be preparing them for a successful year in kindergarten. Our Little Chapel on the Boardwalk preschool will be operating Monday through Friday from 8:30 to 12:00. We are praying for volunteers from our congregation to come to our Little Chapel Preschool and share the gifts God has blessed them. If you would like to volunteer in the classroom please contact Maritsa Hartlove. We will be having chapel time each Wednesday from 11:15 to 11:45 and we would love to have volunteers to share our Christian faith with our children.

Vacation Bible School will be taking place this month from June 22-June 26<sup>th</sup>. Please make sure to register your children for VBS. Please tell a friend about our VBS program. Flyers are available in the Narthex. Please pick up a flyer and share it with a friend or post it at your favorite business location. We will have a training session for VBS on Sunday June 7<sup>th</sup> after our 10:30 service in our upstairs meeting room. Thank you to all our VBS volunteers for your dedication and hard work! You are all a special blessing to our Little Chapel children.

We had a wonderful Parents Night Out on Friday May 8<sup>th</sup> from 6:00pm-9:00pm. The children enjoyed eating pizza, ice cream sundaes, playing in our new preschool room and making a Mother's Day craft. Thank you to Harriet Andrew for all her help with Parent's Night out and for sharing her talents with our children. Thank you also to Hunter Jordan and Adeline Hines our youth volunteers for Parent's Night Out. Your participation made is so appreciated.

Our Cherub Choir did a wonderful job singing and reciting Bible scriptures at our Mother's Day service. We would like to thank Kathy Blizzard for helping with our Mother's day practice. Our Cherub Choir will be singing again on Father's Day on June 21<sup>st</sup>! We are looking forward to honoring our Dads!

It is a blessing to be a part of Little Chapel with a big heart! Please keep all our children's programs in your prayers as we step out in faith to teach the children in our community about Jesus and His love for them. Thank you for your continued support.

**Have a blessed June.**

## LITTLE CHAPEL MISSION TRIP TO KERNERSVILLE, NC

Nine of us left on a sunny Thursday morning for Kernersville to work for the Crisis Control Ministry located there. We were joined by Pastor Kathy Campbell from Crossnore PCUSA and four of their members. It was a pleasure working with them and so good to have the chance to strengthen our ties with the Crossnore church. We started off with a picnic, hosted by our Mission Committee. Thank you, Sharon!

Begun 41 years ago, this Christian-based ministry serves 1 in 24 residents of Forsyth County with short term emergency services. They believe that food, shelter, and medicine are basic human needs. They seek to give temporary help in crises in these three areas. All of this is based on the foundation of many committed volunteers.

What did we do to help? We started by washing all the windows inside and out of their facility in Kernersville, did some yard work for them, and also cleaned a very large vinyl banner so that they will be able to use it again.

The next day we were off to their main center in Winston-Salem where the Director gave us a tour of the facility, including their free licensed pharmacy. This is an amazing service they provide, giving out prescribed medications which are donated in

large part by four nearby nursing homes. These are unused medicines from their patients' prescriptions. Following this, we cleaned what would become grocery store shelves for their Client Choice Food Pantry. They even will have small grocery carts for their clients to use! Later that day, we helped collect donations to

Crisis Control Ministry by manning several business and church parking lots (in the rain!) Much parking was needed for all the people coming to their annual street fair, the Kernersville Folly. After our shifts, we all had time to go down to the Folly for a while. Their funnel cakes are very good and so was the music!

This was such a worthwhile mission

project and such an example of doing simple things that added up to being of help to a ministry that does such inspiring work for those in crisis.

Thank you Janet and Gene Auvil, Jim Bolick (we missed you Rita!), Shirlee Gearhart, Marcia and Pat Rabun & Linda Shahaltough for all you did for Crisis Control Ministry.

## TILESTON OUTREACH SUMMER UPDATE

*No More Little Chapel Collections or deliveries for Tileston until September*

The LCOB will not be collecting donations for Tileston on our bench in June, July, or August. During the summer, the Tileston Bench is used for collecting food from our members for 2<sup>nd</sup> Loaf. After Labor Day, Team Tileston drivers will begin taking donations from the bench to Tileston.

Please continue to leave toiletry items for Tileston in the designated basket on the mission table throughout the summer months. We can easily store these until the next delivery.

Tileston is completely closed the month of August. However, Tileston is open most of June & July except holidays if you would like to drive your own donations downtown. Please continue to call Ellen (470-7588) or Jacalyn (471-5959) if you have questions, especially about the dates/times Tileston is open in June & July. You may also call the Tileston Office directly at 762-5491, extension 135, to arrange for the Tileston van to pick up furniture or appliances at your home or business. Just leave a message and a volunteer will return your call to arrange a time for pick-up.

## 2<sup>ND</sup> LOAF

**Begins its 15th Season on Saturday, June 13, 2015**

2nd Loaf is our summer ministry that collects leftover food and other useful items from vacationers as well as residents of the Wrightsville Beach area for the Good Shepherd Soup Kitchen. We accept fresh, frozen, refrigerated, and canned food.

Sign-up sheets are located in the narthex. The congregation has done a good job of volunteering for the various time slots. There are still several openings for Saturdays and for Monday drivers.

Thank you for all that you do for our church and community.

Contact Connie & Andy Marhevsky, 910.399.1425 or marhev1@hotmail.com with questions.

## HOSPICE MEALS OF LOVE NEW LOCAL MISSION OPPORTUNITY

Meals of Love program is designed to benefit family members and visitors to the Lower Cape Fear Hospice Care Center. Many times these families are exhausted physically and mentally and preparing a meal is the last thing on their mind. So volunteers help support them by providing a meal in our family kitchen at the Care Center. The Little Chapel Mission Committee has decided to take care of these meals four times a year. Our second date to prepare a dinner meal for this year is June 8, 2015. There are signup sheets in the narthex. We look forward to your helping with this wonderful mission opportunity. **Kathy Blizzard**

### *In the Mail*

**Dear Little Chapel,**

Thank you so much for the calls, cards, food, flowers and for those that sat with me at the hospital. God shares his love for this church through this wonderful caring congregation. You are the best.

**Blessings, S.M. Isaac**

**Dear Friends:**

Thank you for your donation to Domestic Violence Shelter and Services, Inc. Your kindness helps us provide a safe haven and critical services for individuals and families fleeing the violence on their own homes. Please know that you are making a difference in the lives of victims, as they start lives free of violence and fear. Your gift is greatly appreciated.

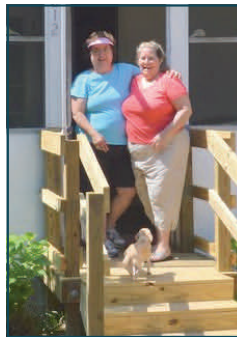

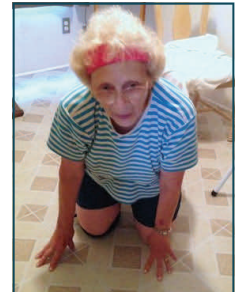

**Sincerely,

## MATTHEW HOUSE

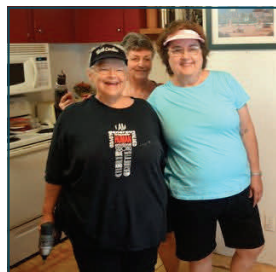

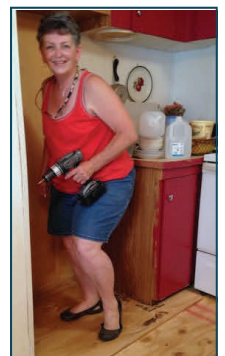

An amazing group of six ladies spent the week of May 18 staying at the Matthew House, while helping to refurbish a home for a lady near Carolina Beach. With Jon Farone, their pastor at Center Presbyterian Church in Tellico, TN, at the helm, they put down a much needed new floor in most of the house and completed building new steps and railings on two porches. Jon and the ladies worked with Wilmington Area Rebuilding Ministries (WARM), whose mission is to make homes safe for our low-income, disabled and elderly neighbors, so that they can continue to live in their homes.

I wish all of you could have witnesses how Jon and six energetic ladies put a big smile on the face of Wendy, the homeowner as they transformed her place into a safe home. These pictures only begin to tell the story of their enthusiasm and hard work.

For those who attended the talent show, this is the same group that performed and dazzled us with their dance routine, while Jon sang, "That Long Black Train". What a treat!! **Ann Martz**

## PRESBYTERIAN WOMEN

June 1 will be our final Gathering until September. It will be a very special evening for all the Women who are a part of LCOB.

Bring your special covered dish and share your recipe, see your new officers for the next two years installed, find out who receives an Honorary Presbyterian Membership for their service, hear Beth Hollis the Director of NNC give us guidance for the new church wide project of "Feed a Hungry Child", bring your Birthday Offering and share an evening of Fellowship.

These past two years have been a JOY in my life as moderator of LCOB Presbyterian Women.

A friend gave me a book I have read many times. 'I have read it often during this last year in office. The Power of Letting by Dan E. Perry.

### Letting God Live in and Through You.

#### Let Go and Let God

As Children bring their broken toys,  
With tears for us to mend.  
I brought my broken dreams to God,  
Because He is my friend.  
But then instead of leaving Him  
In peace to work alone.  
I hung around and tried to help,  
With ways that were my own.  
At last, I snatched them back again  
And cried, "How can you be so slow?"  
"My child," He said, "What could I do?  
You never did let go."

I will leave you with this final thought from Perry's book. God wants us to live spiritually in His presence while living physically in the world about us. His promise of the abundant life comes to fruition in the lives of believers when we become consciously aware of Christ's indwelling presence and the fact that He is living out His life in and through us. When we learn to let him have His way with our lives, we begin to discover the true meaning of ABIDING IN HIM. It is then that we can experience the abundant Christian life and the blessings that are manifested through THE POWER OF LETTING.

Finally I am letting go as your moderator, letting go of writing this article each month and letting God take me to the next step in life's journey.

I have lived through the valley's with His help and enjoyed the wonderful peaks in life He has given me.

**May each of us be filled with His Love and Grace.**

**Iris Davis**

## CHURCH WOMEN UNITED

### THE MIGRANT MINISTRY

*I am only one,  
But I am one;  
I cannot do everything,  
But I can do something.*

*What I can do,  
I ought to do;  
And what I ought to do,  
By the grace of God, I will do.*

Many thanks to the  
Presbyterian Women's Circles

for your support of the Church Women United Migrant Ministry in Eastern North Carolina. Little Chapel ladies prepared 15 Migrant Health Kits! Your generous contributions will provide basic health needs to the many workers arriving in our area during the year. City-wide 362 kits were donated at an estimated cost of \$10,860.00. Six ladies from Little Chapel attended the CWU Celebration and Luncheon on May 1. We participated in the Worship Service which focused on Caregivers and Jesus' call to each of us to lighten their burden and join them on their journey. Four representatives from the Telemon Corporation expressed appreciation for the Migrant Health Kit donations, and for the Christian love extended to our area migrant workers. The meeting concluded with a delicious lunch prepared by the Methodist Women of Wesley Memorial UMC.

### CENTERPOINT

It's wedding Season!

When a couple falls in love and decides to marry, it is a joyous occasion. The excitement and planning the wedding can be such fun.

Unfortunately, after a few years of marriage some couples begin to experience problems as they learn things about their spouse they were not aware of before they married.

When couples come in for their first marriage counseling session, they identify troublesome issues they are just realizing, such as: "I did not know he did not want children until I was pregnant", "I did not know she had so much credit card debt when we married", "I did not realize the extent to which my spouse avoids conflict".

Couples often wrongly assume their partners have the same ideas regarding their future and how their lives will unfold. Love is powerful, but love alone does not ensure a happy relationship.

Couples are encouraged to make pre-marital counseling a part of the wedding planning. The identification of topics that need to be discussed and the clarification of expectations that occur in pre-marital counseling can help ensure a happy marriage.
